

INDIGESTION

If you have it, you know it. You know all about the heavy feeling in the stomach, the formation of gas, the nausea, sick headache, and general weakness of the whole body.

You can't have it a week without your blood being impure and your nerves all exhausted. There's just one remedy for you—

Ayer's Sarsaparilla

There's nothing new about it. Your grandparents took it. 'Twas an old Sarsaparilla before other Sarsaparillas were known. It made the word "Sarsaparilla" famous over the whole world.

There's no other sarsaparilla like it. In age and power to cure it's "The leader of them all."

25¢ a bottle. All druggists.

Ayer's Pills cure constipation.

"After suffering terribly I was induced to try your Sarsaparilla. I took three bottles and now feel like a new man. I would advise all my fellow creatures to try this medicine, for it has stood the test of time and its curative power cannot be excelled."

DISEASES OF CHILDREN

Measles, Scarlet Fever and the exhausting many diseases of childhood, frequently leave the little sufferers in a weakened and debilitated condition of health from which it is difficult to rescue them except by the regular use of Dr. Chase's Nerve Food. This preparation is admirably suited to the requirements of children, and has such an invigorating and restorative influence on the system as to make weak, pny children healthy, plump and active.

The frogs started their music in the gravel pit here Sunday evening. Last year they were later, the first peep being heard in the same place on 12th. Angle worms are seen crawling on the streets, showing the frost is out, and old winter has given place to the resurrection of spring-time.

The Half Way river had its annual freshet Friday and Saturday. On the latter day it was the highest for years, and if there had been an unusually high tide with the tremendous rush of water on the upper side, the D. A. R. track might have been carried away. It looked that way at one time.

The Law

Of health has no uniformed guardians of its peace. If it had there would be arrests innumerable in every restaurant every day of the year. Both in the quantity and quality of the food they eat and in the manner of its consumption men and women sin each day against the laws of health. Those who will not heed Nature's warnings cannot escape her punishments, and dyspepsia or stomach "trouble" is the inevitable penalty of careless eating.

There is no other medicine for diseases of the stomach and allied organs of digestion and nutrition which can compare with Dr. Pierce's Golden Medical Discovery. It cures these diseases perfectly and permanently, and enables the building up of the whole body into vigorous health.

"I took two bottles of Dr. Pierce's Golden Medical Discovery for stomach trouble," writes Clarence Carver, Esq., of Taylorstown, Loudoun Co., Va. "It did me so much good that I didn't take any more. I can eat most anything now. I am so well pleased with it I hardly know how to thank you for your kind information. I tried a whole lot of things before I wrote to you. There was a gentleman told me about your medicine, how it had cured his wife. I thought I would try a bottle of it. I am glad I did, for I don't know what I would have done if it had not been for Dr. Pierce's Golden Medical Discovery."

HANTSPOBT'S BUTCHER

On his rounds last week the editor called on Er. L. Gertridge, the popular butcher of this town. He was found, hard at work as usual, dressing a fine beef, a heifer 18 months old, raised by John Selridge, Gasperau. Mr. Gertridge estimated its weight at over 400 pounds. Earlier in the week he butchered a remarkably good heifer, bought from Chas. Armstrong, Kingston, 15 months old, which weighed 440. I do not remember seeing fatter beef. Mr. Gertridge is right up-to-date, with his splendid refrigerator, capable of holding 19 quarters of beef. He also does a good business in poultry and other fresh meats.

EASTER SERVICES

The beautiful and suggestive Easter services were held in all the churches here last Sunday. Following is a short sketch of the exercises.

Baptist Church—Opened with voluntary, played finely by organist, Miss May June Davidson, Anthem, Hallelujah, Sing to God, by Bierly. The choir was assisted by the musical voice of Miss E. Toye of Wolfville. Rev. S. R. White preached a very interesting sermon to a large audience, subject "The Empty Tomb." Text, He is not here, He has risen. The sermon was one long to be remembered. In the evening sermon the music was finely rendered as follows: O come to my Heart, by Nevin; Awake Song or Zion, by Earle, and Sing to the Lord.

There was no service at the Methodist church in the morning. In the evening a good audience listened to the pastor, Rev. J. W. Aikens, who gave a powerful sermon from the subject Resurrection Life. The church was decorated; among the plants beautiful lilies were conspicuous. The anthems were well rendered. They were He is Risen, and Hallelujah Christ is Risen, the solo and duet parts being particularly good.

At the Presbyterian church a very tidy structure lately built. Mr. McIntosh, a student from Pine Hill College, took the services. Text Rev. 22:14. The church was beautifully decorated for the occasion. The following music was well rendered by choir: Morning service; Morning Breaks. There is a Green Hill. Evening service; Mary Hostred in the Dawning of the Morning, and He Dies, He Dies.

At St. Andrew's Episcopal Church one service only was held on Easter; this was at 11 a. m. by the rector Rev. John Reeks, and was followed by a celebration of the Holy Communion. There were no decorations this year, beyond the usual Easter Lilies on the Altar.

OBITUARY

On the twenty fifth of March last Mrs. Joseph Burgess died suddenly of pneumonia at her home in East Boston, Mass. The deceased was the eldest daughter of the late Robert Faulkner of Mt. Denson, Hants Co., N. S. and for twenty-four years resided in Newport, Hants, N. S.; where she was widely and extremely favorably known. For the past eleven years she, with husband and family of three sons and six daughters, had lived in Massachusetts. She will be remembered here as an unusually capable woman in illness among her friends and neighbors, by whom she was much beloved. She was blessed with a fine character and a bright amiable, cheery nature. The remains were interred in Woodlawn Cemetery near Boston. A large gathering of sorrowing friends and relatives met at the house for the last sad rites.

Governor-General Lord Minto has received a cable from Lord Chamberlain saying that during the visit of the Duke of Cornwall and York to Canada he will present to the members of the first and second Canadian contingent, South African medals. The militia department has been asked to send the names of the members so that they can be engraved upon them.

The Spring Feeling

NOT EXACTLY SICK—BUT NEITHER ARE YOU WELL

Close Confinement During the Winter Months Has Left You Weak, Easily Depressed and Out of Sorts

The words weak and depressed express the condition of thousands of people in the spring time. It is one of nature's signs that humanity cannot undergo months of indoor life in badly ventilated buildings with impurity. Sometimes you have a headache; slight exercise fatigues you; your appetite is variable, you are easily irritated or depressed; perhaps there are pimples or slight eruptions that indicate the blood needs attention. Whatever the symptoms may be it should be attended to at once, else you will fall an easy prey to graver disease. Do not use a purgative in the hope that it will put you right. Any doctor will tell you that purgatives weaken, that they impair the action of the liver and create chronic constipation. A tonic is what is needed to help nature fight your battle for health, and there is only one always reliable, never failing tonic, and that is Dr. Williams' Pink Pills. These pills have no purgative action. They make rich, red blood, strengthen the tired and faded nerves, and make weak, depressed, easily tired people, whether old or young, bright, active and strong. Among those who have proved the health bringing qualities of Dr. Williams' Pink Pills is Miss Emma Chaput, of Lake Talon, Ont., who says: I cannot thank you enough for the good I have derived through the use of Dr. Williams' Pink Pills. I honestly believe that but for them I would now be in my grave. My health was completely broken down. My face as white as chalk, and if I made the least effort to do any house work I would almost faint from exertion, and my heart would beat violently so that I feared I would drop where I stood. I was a great sufferer from headaches and dizziness as well, and my appetite was so poor that I scarcely ate at all. I tried several medicines, but they did not help me, and then I bought Pink Pills for some of Dr. Williams' Pink Pills. I got six boxes and before I used them all I was as well as I had ever been, with a good healthy color, a good appetite and an entire freedom from the ailments that had made me so miserable. You may be sure that I will always have a warm regard for your invaluable medicine.

Do not experiment with other so-called tonics—you are apt to find it a waste of money and your health worse than before. You will not be experimenting when you use Dr. Williams' Pink Pills. They have proved their value the world over, and you can rely upon it that what they have done for others they will do for you. If you cannot get the genuine pills from your dealer send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and they will be mailed post paid at 50 cents a box or six boxes for \$2.50.

The death occurred suddenly at the Union General Hospital, Boston, on Sunday, 31st ult. of Miss Maggie Graham, formerly of Windsor, and daughter of Mrs James Smith, Halifax. The remains were brought home, the burial taking place from her mother's residence.

This is the deadly season. Wet feet and chills mean colds, grippe, pneumonia, with consumption as a possible result. Your safety lies in using DR. SHILOH'S CONSUMPTION CURE. A few doses will stop you coughing. You will be completely cured in 24 hours. It heals and strengthens the sore lungs. 25 cents a bottle. Money returned if you are dissatisfied.
