

BY APPOINTMENT TO H.M. KING GEORGE V.
ESTABLISHED 1810.

Christmas in the Trenches

will be brighter and happier for those who receive their presents in good time.

To insure this, select your Gifts early from the Mappin & Webb Catalogue, and let Mappin & Webb take the full responsibility for the safe and prompt delivery.

Our position is unique. Gifts selected can be delivered from our London and Paris establishments at London prices thus saving the cost of freight and Canadian duty, full allowance being made from the catalogue prices for Canadian duty which will not have to be paid on any English made article. This insures prompt delivery, without trouble or expense on your part.

Our Catalogue of Christmas Presents, is ready for the mail. Have we your name and address? Write for a copy—today.

sizes: 4, 6, 8 and 10 years. The dress requires 2 7/8 yards of 27-inch material for a 6-year size, with 2 1/4 yards for the guimpe. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

A Very Attractive Dress—Waist 1849—Skirt 1871—Comprising Ladies' Waist pattern 1849, and Ladies' Skirt 1871. The waist is a popular model, with its frill revers, and the skirt is new and novel with its jaunty pocket trimming. Serge, gabardine, voile, corduroy and broadcloth are nice for the skirt; lawn, madras, crepe, voile, taffeta and batiste could be used for the waist. The skirt pattern is cut in six sizes: 20, 22, 24, 26, 28 and 30 inches waist measure. The waist is cut in 6 sizes: 32, 34, 36, 38, 40 and 42 inches bust measure. It will require 3 1/4 yards of 36-inch material for the waist, and 4 1/8 yards of 44-inch material for the skirt for a medium size. The skirt measures 3 yards at the foot. This illustration calls for two separate patterns, which will be mailed to any

address on receipt of 10 cents in silver or stamps. The shield is adjustable. This pattern is cut in four sizes: 6, 8, 10 and 12 years. It requires 3 1/8 yards of 44-inch material for a 6-year size. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

A New and Practical Sleeping Garment—1553—Girls' One-Piece Pyjamas. This model is more comfortable than the two-piece models, is easy to develop, and well adapted for all materials, such as jean, cambric, crepe, flannelette, domet flannel, madras or repp. The pattern is cut in five sizes: 6, 8, 10, 12 and 14 years. The front is made with body and waist combined. The back has a "fall" or "drop" buttoned to a waist portion under the belt. The right front overlaps the left in closing. The 10-year size will require 3 3/4 yards of 36-inch material. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

A Simple Becoming Style—1547—

address on receipt of 10 cents for each pattern, in silver or stamps.

A Smart and Attractive Design—1876—Ladies' Dress. This style is good for velvet, taffeta, serge, gabardine, velour, novelty and mixed suiting. The waist is finished in blouse style, and has the deep pockets added over the skirt joining. The neck is rolled low at the deep collar joining. The sleeve is in bishop style, finished with a turnback cuff of contrasting material. The pattern is cut in 6 sizes: 34, 36, 38, 40, 42 and 44 inches bust measure. It requires 6 yards of 44-inch material for a 38-inch size. The skirt measures about 3 yards at its lower edge. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

A Simple Dress for Mother's Girl—1878—Girls' One-Piece Dress, with or without Shield. Striped galatea is here shown. Shepherd check, novelty suiting or plaid woolen, serge, gabardine and velour, corduroy and velvet are equally attractive. The pockets form an at-

tractive feature, but may be omitted. The shield is adjustable. This pattern is cut in four sizes: 6, 8, 10 and 12 years. It requires 3 1/8 yards of 44-inch material for a 6-year size. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

Ladies' Home or Morning Dress, with sleeve in either of two lengths. As here shown figured percale in gray tones was employed, with collar, cuffs and belt of line. This style is also nice for linen, seersucker, gingham and chambrey, for serge, cashmere and flannelette. If made of serge with trimming of matched satin, it would do nicely for business or street wear under any of the comfortable three-quarter or half length coats now in vogue. The pattern is cut in six sizes: 34, 36, 38, 40, 42 and 44 inches bust measure. It requires 5 3/4 yards of 44-inch material for a 36-inch size. The skirt measures about 3 1/8 yards at the lower edge. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

On Sale Everywhere.—There may be country merchants who do not keep Dr. Thomas' Electric Oil, though they are few and far between, and these may suggest that some other oil is just as good. There is nothing so good as a liniment or as an internal medicine in certain cases. Take no other. The demand for it shows that it is the only popular oil.
