

Don't throw your vote away — Vote Tomorrow (Friday)

There'll never be another Vice President like Richard.

Never.

The President made that promise to himself last Thursday afternoon, after Richard blew an important new-business presentation.

Richard isn't incompetent. The villain is his lunches, or rather the too-many drinks he often has at lunch. Come afternoon, he's just not as sharp as he was in the morning.

Richard is playing dice with his health. His old-fashioned business style is also sabotaging his career.

Today, with competition so rough and stakes so high, even the most generous company can't be patient for long with an employee whose effectiveness ends at noon.

If you're a friend, do Richard a favour by reminding him of the good sense of moderation.

You can bet the man eyeing his job won't help him.
