Ottawa, August 23rd, 1918.

Sir,-

In further reference to your letter of the 6th, instant, concerning a desired vacation for Sydney Wesley Mountain, a pupil of the Lytton Industrial school, I beg to say that the Principal of that school has forwarded a doctor's report in regard to this boy.

This report shows that the doctor considers that this boy should remain at the Lytton Industrial school, and, in view of the doctor's statement, the Department has decided not to allow Sydney Wesley Mountain, any vacation.

You will be good enough to advise his father, accordingly.

Your obedient servant
