A-48 I don't think so, sir, not to my knowledge. I don't think they could see how much money I had.

Q-49 Were you paid that day?

A-49 Yes, sir, I was paid that day.

Q-50 You say you don't know when you saw Adams but it was in the Orderly Room?

A-50 Yes, sir.

Q-51 You wouldn't have seen him in the Orderly Room before daylight the next day?

A-51 I think I went over to the other hut for a minute or two after lights out myself, and remember talking. I went over there and talked for a little while.

Q-52 Did you play yourself there?

A-52 No, sir.

Q-53 Did you open your bill fold over there?

A-53 Not to my knowledge, sir.

Q-54 You say you were at the canteen drinking with Troopers Boudreau, Adams, Bates and Adamson?

A-54 Yes, sir.

Q-55 Did any of them leave the canteen with you or did you leave alone?

A-55 Adamson left with me, sir.

Q-56 What time did you get back in the hut?

A-56 I can't be sure what time it was.

Q-57 Before lights out? Before tattoo?

A-57 Yes, sir. I was back right after the canteen and as I had been drinking beer I had to go to the washroom and as a matter of fact I had to go several times in the evening and I went to bed about twelve.
