					PER REQUEST CR NOV 7 1949		

NOTICE

- Files should be retained no longer than absolutely necessary. If a file is frequently needed at short intervals, it is better to D.F. it for two or three days than keep it out of Central Registry indefinitely. This assures it being completed and kept in order, and also gives other offices the opportunity to use same.
- Central Registry should be notified whenever a file is passed direct to another branch.
- All outgoing letters should bear associated file number.
