

Attend the New School.

Strict and particular attention will be devoted to the handling, repairing and operating of gasoline engines of all descriptions used on the farm at the school of instruction to be opened in Brown's Stock Exchange building at Portage la Prairie, by Alex. McLarty on January 9th, 1911.

Factory Employees' Xmas

The employees of the Western King Garment Co., to the number of two hundred, sat down on Thursday, 22nd ult., to what is now to be an annual Christmas dinner. Delicacies in keeping with the season were served in the large dining room of the factory, specially set apart and kept for the use of the employees. The dining room was tastefully decorated for the occasion.

The chair was taken by the president, who was supported by the vice-president, who, in turn, was supported by the factory management. In his remarks the chairman complimented the employees on their loyalty to the company, and pointed out how the factory had grown in the course of a few short years from such a small beginning to the position it now holds.

The afternoon was given over to a programme of music and dancing interspersed with short speeches in which Mr. Emery, the popular manager of the factory,

Mr. Leon, Mr. Edwards and Mr. Gunn took part, while the music, both vocal and instrumental, was supplied by various members of the factory staff.

During the course of the afternoon, a very pleasant presentation was made to Miss Sheraton on behalf of the employees, the occasion being her approaching marriage. The gift took the shape of a very handsome silver tea service, and showed the esteem in which she is held by her fellow workers.
