WARRANDERSONAND MARKET REVIEW AND FORECAST

Toronto, September 23, 1998—There is not much change in the general situation. Wholesale trade continues on the quiet side, but steady, with some improvement in the volume of orders received. Until cooler weather arrives general trade will continue as it is. Call money is in good demand and rates of interest are steady.

WHEAT The wheat market is higher, and general conditions point to a continuation of present prices. There has been more activity seen prices. There has been more activity week but this does not appear to have the effect on general trade it once did. The export market is strong, and cables continue to advance. Winniper receipts and the second of the continue to advance, winniper receipts asid, to the railways being unable to handle the wheat Elevators at local points are reported to be all filled. At Winniper good wheat is quoted at \$10 9 a bushel for No 1 Northern, and \$1.07 for No. 2 and the property of the prices are quotable supply of wheat in Canada and th. .-nited states, is equivalent to \$5.00,700 bushels, as compared with 14,04,000 bushels at this time a and higher prices are quotable for Ontario wheat at \$10 to 50 cutside. On Toronto farmers' market fall wheat sells at \$0 to 50 and goose at \$0 to \$50 a bushel. The wheat market is higher, and general
