

THE  
**HOME MAGAZINE**  
 AND  
**Church and Sunday School Register.**

The projectors of this Illustrated Periodical, (The PENNY POST localized,) desire to establish a Magazine which, being sound, interesting and instructive, shall be worthy of the confidence of the Church.

They ask the sympathy and aid of the clergy and others in extending its circulation.

As an inducement to Sunday Schools to secure subscribers, the MAGAZINE is offered at the following rates :—

<b>ONE COPY, (for one year)</b>	-	<b>50 Cts.</b>
<b>TWELVE COPIES,</b>	-	<b>\$5 00</b>
<b>TWENTY-FIVE COPIES,</b>	-	<b>\$10 00</b>

Or, if thought desirable, the Club may be made up partly of the Home and partly of the Parish Magazine and Church Register, the price of each being the same.

We have great pleasure in referring to the following testimonial from a Canadian clergyman :—

"I am greatly pleased with the HOME MAGAZINE, and shall be glad to see it largely circulated in my parish. Its thirty-six pages contain a vast amount of interesting information. It has articles which will please the old, instruct and amuse the young, and help to make all better Christians and better Churchmen. I regard it as the cheapest, the most interesting, and the best Magazine for general use, and only wonder that you are able to issue it at the low rate of FIFTY CENTS PER ANNUM. I hope your subscription list contains the name of every clergyman and lay delegate in the Province, and that many others enjoy the privilege of perusing its contents."
