WARNER'S "SAFE" CURE!

Merit wins

In the past decade H. H. Warner, who was restored to health from an "incurable Kidney disease" by what is now known as Warner's Safe Cure, and made a vow that he would spread its merits before the entire world of sufferers—has seen the most signal proofs of the world's need of a Scientific Kidney Specific. All nations recognize and welcome Warner's Medicines as standards of the highest excellence because their curative effects are PERMANENT—a sure proof of power and merit. Read a few of their voluntary testimonials. They speak a varied language, but tell a common story:

FRANK STUART, 28 Free School Street, Calcutta, India. "In 1875 was prostrated with a sudden attack of liver trouble. From '75 to '81 I had twenty of these terrible attacks. On the way to Japan, Capt. Connor, of the 'Geukai Maru,' recommended me to use Warner's Safe Cure. After using 15 bottles, I had a sound, hearty appetite, thorough enjoyment of life, things to which I had been a stranger for six long years."

GEORGE BICKNELL, Editor Daily Telegraph, Melbourne, Aus., the great Australian Daily, March 30, 1888, wrote: "Work of a sedentary character for 20 years developed unpleasant symptoms of illness, of the Liver and Kidneys. I used Warner's Safe Cure, which speedily relieved me of the unpleasant symptoms, remedied my Dyspepsia, bettered my appetite, increased my enjoyment of life and work. It is a most valuable medicine, and I have no hesitation in recommending it."

DR. GUSTAV WEBER, of Dessau, Duchy of Anhalt, Germany, May 30, 1887, writes: "For several years I have suffered with inflammation of the Kidneys, Rheumatic Pains, etc., for which I go every summer to Carlsbad, and find a little relief. To this suffering is added a Diabetes Mellitus (sugar diabetes), which appears alternately with Rheumatism. With the using of the 15th bottle of Warner's Safe Cure I have completed my cure, for which I am greatly indebted to you. My general health has apparently been restored. I repeat with this my sincere gratitude."

REV. HENRY PLUME, M. A., Archdeacon, Townsville, North Queensland, Oct. 15, 1887, writes: "During my long bush tours I have come across many wonderful cures effected by Warner's Safe Cure. For fever, so prevalent in the bush, it seems to be a certain cure. From what I have seen on my late trip, I should never start on a journey without my pack being furnished with a bottle."

GEO. THORNE, Ex-Premier, Queensland, at Ipswich, Sept. 2, 1887, writes: "I have recommended Warner's Safe Cure to many people who have suffered from different complaints, and in every case a cure has been effected. Personally I have used the medicine and derived the greatest benefit from it."

H. H. Warner & Co. point with pride to the World-'Round Fame of Warner's Safe Cure. They offer the above as genuine in all respects and true, so far as they know with \$5,000 for proof to the contrary. Ask your friends and neighbors about
