BICYCLEOLOGY

What's good in Bicycleology? That's a question which this revival has brought to the front again. The

MASSEY-HARRIS

is good. If you don't believe that just ask a man riding one—he'll tell you. We know it's good, because we know that we couldn't make it any better. We know that no other firm could make it any better. With the

Cushion Frame
it's the newest thing in "Bicycleology"—It is to wheeling what the Pullman is to railroading.
