A Voter Discusses the Present Political Situation.

When the candidates were chosen for the mayoralty, as became a good citizen, I carefully considered the claims of each and decided which one I thought the best and most suitable found that one in Henry C. Macaulay, the nominee of the Citizens' Party. I would ask your kind indulgence and \$4000 to the mile subsidy for that permission to lay before the elector- section of the Canadian Northern ate a few reasons why Mr. Macaulay railway from the eastern boundary of is again seriously ill. should be our first mayor.

The position of the first mayor of the city of Dawson, the Queen City of the North, will be a unique one. No Fine Distinction. mayor of Halifax, Quebec, Montreal, task to perform next year that he pastor and trustees of the First Preswill have, without a precedent to byterian church refused the use of the guide him, nothing but the business church building for McKinley meability, good judgment and common morial services on the ground that sense of himself and his aldermen to such services would be political rath- Shaw of Iowa will become secretary it since until presented at the in- prisoner being a living evidence of low assist him in directing the future welfare of our city.

Mr. Macaulay's business record is known to all. Beginning life as a successful business man and has gain- Commission is sitting here today to London, Jan. 27.—Lord Rosslyn, that after committing the deed he speaks little or no English and knows house that were made almost entirely pork, at Bonanza Market, next Post lumberman, he has fought his way ununlike some others, is endowed with what is called the sixth sense-good common sense and tact. He is a ish Columbia. tried man, one who has grown up with our territory and city and knows the needs and demands of the times. A business man in Dawson, he undergeneral merchandise, he is in daily contact with the miner and knows the needs of the miner. So that I feel provincial politics. safe in saving that very few men are in as close touch with all the interests of our city and territory as Mr. Macaulay. But can the same be said either Dr. Thompson, the nominee of the Elective Party or of Mr. Chas. Macdonald, the representative of the People's Party. Has Charles Macdonald grown up with the city or territory? No. Is he a good and successful manager of business affairs? He has not shown it. Is he endowed would not be running for mayor when he has not a ghost of a show to win. What do we know of him? Nothing except that he is a Government official, bound to give his services first to the government, second to our city Has he ever displayed any quality which would entitle him to be chosen by the electorate to rule which he soars to oratorical heights where no one can follow? Who are his supporters and backers? Fred T. Congdon, formerly legal adviser, now feud.
