**THE REPORTER.**

FARMERSVILLE, JAN. 19, 1887.

FARMERSVILLE AND VICINITY.

Our Reporter's Note Book Turned Inside Out for the Benefit of the Public.

**Series of Sermons.**

Beginning next Sunday morning the Rev. Geo. Rogers will preach a series of sermons bearing on the doctrinal truths of Christianity.

**Name Wanted.**

We have received some meritorious rhymes from "F. L. D.," which are not published because the writer omitted sending his name. Correspondents should always send their names with manuscript intended for publication.

**West's Cough Syrup.** A pure cure for coughs, colds, bronchitis, sore throat and all diseases of the throat and lungs. 25c, 50c, and \$1 per bottle. All druggists.

**Missionary Service.**

A missionary service will be held in the Rev. Mr. Rogers' parsonage, at half past seven o'clock. The Rev. T. Codd, of Lyndhurst, and the Rev. Owen Jones, of St. George's, Ottawa, will take part in the service. A collection will be taken up in aid of missions.

**Correction.**

In our local column of 6th inst., under the heading "Nobly Done," a mistake occurred. The paragraph should read "The people of Farmersville and vicinity," as we understand that a large number of people outside the limits of the village contributed to the purse presented to the Rev. G. Rogers. The mistake occurred through our compositor omitting the words "and vicinity," and not from any intention of the committee to not give credit where credit was due.

Worth its weight in gold, West's wonderful, the cheapest and best in the world; cures most cases, and goes farther than any other medicine. Rheumatism, try it. 25c. and 50c. Sold by all druggists.

**Cost of Advertising.**

The New York World makes the following sensible remarks about advertising:—"Many a dealer who places a ten dollar ad. in his village paper begrudges his investment, when it is really worth double to him what he pays for it. Advertising rates in some of the city papers would astonish some of our business men. One column in the Chicago Tribune costs \$20,000 per annum; in the New York Herald, \$88,000; and in the New York Tribune, \$85,000; and these papers never lack for advertising to fill their columns." And still there are people in Farmersville and elsewhere who wonder why a country newspaper cannot be furnished at as low a price as the great city papers.

**Sentenced.**

The prisoners Patrick Mullen and James Smith, whose capture we notified two weeks ago, were tried on the 11th inst., before Judge Macdonald, on the charge of breaking into Mountain & Mackay's store, Delta on the 8th of December. A companion in the crime, Andrew Robinson, arrested since the capture of the prisoners on trial, tried Queen's evidence, and detailed the planning and carrying out of the robbery very minutely. Patrick Mullen and another man named Doyle were the actual burglars, while Smith and Robinson were sharers in the booty. The Judge sentenced Mullen to five months for the burglary, and Smith to six months, for receiving the stolen goods.

The world's best. West's Liver Pills, a sure cure for liver complaint, dyspepsia, and indigestion. 30 pills for 25c. All druggists.

Sample bottles 25c. and 50c. Large bottles \$1. Genuine wrapped only in blue. Sold by all druggists, or sent by express on receipt of price. JOHN C. WEST & CO., Toronto, Ont.

### COUNCIL MEETING.

The Councilors elect for the municipality of Rear Yonge and Escott, met at the town hall, Farmersville, on Monday last, at 11 a. m. The following gentlemen subscribed to the oaths of office and took their seats as the council of 1887: Jas. B. Saunders, Reeve; M. Halliday, Deputy Reeve; Thos. Hervey, R. M. Brown and Thos. Moulton, Councilors. A by-law appointing the following persons to the positions named was put through its several readings and finally passed. J. H. Blackburn, Clerk; W. G. Parish, Treasurer; I. C. Alguire and P. Wilso Auditors; Wm. Abernathy, Janitor. I. C. Alguire, Jas. Ross, and Rich. E. Cornell, Board of Health; Dr. Cornell, Medical Health Officer; H. C. Phillips, Sanitary Inspector. A petition from Geo. W. Green, and others, was read, praying the Council to open up a portion of the concession road between the 8th and 9th con. of Yonge, on lot 22 to where the macadamised road leading from Farmersville to Delta, leaves the said concession. Laid over until next meeting. The Clerk's bill for holding municipal election, amounting to \$17.14, was ordered to be paid. The council then adjourned until Saturday, Feb. 12th, at 10 a. m.

### OBITUARY.

With feelings of great regret and sympathy for the bereaved, we refer to the death at Montreal of the late J. H. Rogers, B.A., B.C.L., a son of the Rev. Geo. Rogers. The deceased succumbed to his painful illness on the night of Friday, the 7th inst., after some weeks of great suffering from an aggravated disease of the leg, which we have before referred to. Deceased was a respected member of the law firm of MacLaren, Leet, Smith & Rogers. He received his education at the Huntingdon Academy and at McGill, where he took his B.A. with honors. He studied with the firm of which, in 1884, he became a member.

Mr. Rogers was possessed of great physical strength; and for several years he was one of the best men on the McGill and their Montreal football team. As a lawyer his prospects were very bright and his manly honor was untainted. He was for several years secretary of the Young Men's Reform Club, and was an officer among the Good Templars.

The funeral took place on Monday, the 10th inst., and we learn from the *Witness* that it was numerously attended, the deceased having a large number of warm friends in the legal and other professions. The body was taken to the St. James Street Methodist Church where a very impressive service was conducted by the Revs. J. Philip, J. C. Anthoni, and W. Jackson, after which the corpse proceeded to Mount Royal Cemetery. The chief mourners were the Rev. George Rogers, of Farmersville, father of the deceased, the Rev. J. Boorland, and Messrs. J. J. McLaren, S. P. Leet and R. C. Smith.

The members of Metropolitan Council No. 5 of the Royal Templars of Temperance, of which the deceased was a distinguished member, were present in large numbers. At the close of the service in the church, the funeral ceremony of the order was read by the Rev. S. C. Kendall, M.A., chaplain of the Council, assisted by Mr. W. E. Manson, S.C. Each member present placed a twig of evergreen upon the casket of their departed brother.

At a special meeting of the Montreal Bar, resolutions of condolence were passed.

**\$500 Reward.**

We will pay the above reward for any case of liver complaint, dyspepsia, sick headache, indigestion, constipation or costiveness we cannot cure with West's Vegetable Lills, when the directions are strictly complied with. They are purely vegetable, and never fail to give satisfaction. Large boxes containing 30 sugar-coated pills, 25c. For sale by all druggists. Beware of counterfeits and imitations. The genuine manufactured only by JOHN C. WEST & CO., Toronto, Ont.

### ITEMS OF INTEREST.

The Rev. D. V. Lucas, Secretary of the Quebec branch of the Dominion Alliance, has resigned his position and will shortly leave for Australia, where he will engage in a temperance crusade.

A car of fur recently shipped by the Hudson Bay Company, representing the destruction of 437 bears, 65 silver foxes, 5,137 beavers, 800 foxes, 4,255 lynxes, 8,168 martens, 291 wolverines, 207 wolves, and a host of small animals.

Sick-headache and all liver diseases yield immediately to West's Liver Pills, sugar-coated. All druggists.

It is alleged that at a toboggan slide at Magog, Que., there is a trained dog that will mount the sled, go down the slide, draw the sled back again and go down to an indefinite extent, and if properly encouraged will accept the company of a young lady.

Found! that West's Cough Syrup is the best for coughs, colds, and all throat and lung diseases. All druggists.

Kate Lunny, of Brockville, who was up for violation of the Scott Act, and whose case had been adjourned several times, was on Wednesday last fined \$50 and costs. The case of J. Dillon of the Six Mile House, was set down for trial on Thursday, but it is reported that he privately interviewed the Cadi, and deposited \$50 and costs.

A Dublin, Ireland, paper says—On Monday last the Great Eastern, which is at present lying at the end of the North Wall, was the subject of a keen encounter between the advocates of Temperance and their opponents. An application was made to Mr. O'Donnell, Police Magistrate, on the part of the owners of the vessel, for a six-day license to sell beer, wine, and spirits on board. It was strenuously opposed

by the Society for the prevention of Intemperance, and by a number of the clergy, both Protestant and Roman Catholic, including the two Archbishops and a number of leading citizens. After hearing the counsel for the various parties, as well as a number of witnesses, Arch-bishop Walsh did not entirely disapprove of the application. He apprehended that if a license was granted it would lead to drunkenness and immorality. At the close of the case Mr. O'Donnell refused the application on the ground of the general unsuitableness of the place and its surroundings, and the danger to which persons would be exposed if they obtained drink.
