"I live on a farm. At school I learned an early habit, which weakened me physically, sexually and mentally. Family Doctors said I was going into "decline" (Consumption). Finally, "The Golden Monitor," edited by Drs. Kennedy & Kergan fell into my hands. I learned the truth and cause. Self abuse had sapped my vitallty. I took the New Method Treatment and was cured. My friends think I was cured of Consumption. I have sent them many patients, all of whom were cured. Their New Method Treatment supplies vigor, Vitality and manhood."

Consultation Free, Books Free. Write for Questles Bleak for Home Treatment.

MACHINE WITH A BRAIN. Folds, Wraps, Addresses and Sorts All Sorts of Magazines.

In an office in Fetter lane, Flee street, London, one of the most extraordinary machines ever invented is now being shown by its inventor and maker George Livingston Richards.

Although it occupies only a small room, the machine does the work of a

hundred men. most highly respected residents in the person of Mr. James White sr., of Caintown. The deceased, who had

ness for a thing with which, as he said, he "lived, ate, siept, and walked in the street for 'hree'y ars."

The automating machine is so uncanny in its clearness that it fascinates every one who, watches it. You see tiles of newly-printed magazines being fed in at one side of it, and a moment afterwards you see the warn. moment afterwards you see the wrap-ped and addressed packets galloping along an endless canvas band and tumbling gently into their appointed

In spite of its wonderful combination of functions the "human machine" is one of the simplest contrivances, al-though every one of its dozen of parts feet high, and apart from the endless band occupies little more space than a desk. The inventor of this marvelous ma-

chine is a smiling philosopher with curly brown whiskers. His success is due to hard work. "There is no such O.11 Charleston P.O
