A murderer sat in his cell in the jail repeating over and over again the ser tence pronounced by the judge: "You are to be hanged by the nec's till you are dead, dead, dead, and may God have mercy on your soul."

But there were not tears in his eyes and no penitence in his heart. His dark visage marred by many a scar from the sabre of sin, look blacker and viler as he repeated the words, cursing God and man

Ministers had come to him with gospel messages of divine mercy, but he spurned their words and told them to come no more into his presence.
"Why, man," said one, "you are co

demned to die, and in a few weeks you will be launched into eterniay-how can you stand before God with all your un meetings are always ope wish to become members. forgiven sins on your soul?'

"That's my business, and not yours. I wish no further conversation with you," was his answer, as he waved his hand im- are held every Sunday afterno

Can Dyspepsia be Cured.

This is a question often asked by those This is a question often asked by those force needed legislation. Since the very that suffer from the effects of this disease. popularity of temperance theories increas

The largest class of people whom we

ciency of your St Lawrence Dyspepsia
Powders and Bitters. Mine was a very
bad case of dyspepsia and though I had
tried nearly all the popular remedies recommended or guaranteed as cures for
that disease, I received little or no benefit
and almost began to think there was no
cure for me.

It was then that I was induced to give
your remedies a trial though I must confess that I had but little faith that they
would benefit me. But the results were
wonderful. The wretched feeling that
only those who have experienced the
agonies of dyspepsia can know, completely left me after using but two packages
of St Lawrence Bitters Leonsider myself completely cured.
I can now eat almost anything in the
hape of food and hardly know that I
have a ssomach."

The poets sing, in dainty rhymes,

er?"—we know the true answer, "No C. C. RICHARDS & Co. man liveth unto bimself." Perhaps the most directly hurtful effect of inactivity in a cause is the reflex influence upon the individual. The tem-perance reform is a work of principal. "Tis but an "ad" for P. F. P.; that is, Pierce's Favorite Prescription, all kinds of female weakness, which cures the ailments of feeble, "run-down" and debilitated woman, and restores them to youthfulness and beauty once more: The price of this royal remedy, Dr Pierce's Favorite Prescription, is but \$1.00 a bottle, and money refunded in every case if it doesn't give satisfaction. See guarantee on bottle-wrapper.
