The Football Games.

The Acadia football team, in charge of Capt. Cutten, left for their New Brunswick tour on Monday morning last. They arrived in Sackville in the afternoon and played the Mount Allison team, winning by a score of 8-0. Tuesday afternoon they played the St. John team, with whom they were not so successful, the score standing at the call of time 11-0 in favor of the home team. They however, in a measure regained their laurels on Wednesday, when they defeated the U. N. B. team at Fredericton by a score of 12-0. Before returning home they will play two more games—one with the city team in Fredericton, and one at Moncton.

The W. M. A. Society held a public Missionary Meeting last Sunday evening, commemorative of their 25th anniversary. Mrs Freeman presiding. Mrs Enos Bligh sketched briefly the history of the society for the last 25 years. A reading on "Jungle Work" was given by Mrs S. Sweet. Mrs Oatley Bligh gave a paper on giving. "Extra, me, and the Board" was read by Mrs I. Lantz, and Miss R. R. Freeman recited a piece entitled, "How Non-Meet-Yea found the way." The choir, under the leadership of Mr R. D. Bentley, discoursed sweet music at suitable intervals. The interest of the large congregation was held to the close, and all pronounced the Woman's Missionary Meeting a great success.

We were shown some freaks on Wednesday evening by Mr G. E. Torrie, one of which is the most remarkable that has come to our notice for some time. It is an apple of which about two-fifths is of the Golden Russet variety, and the remainder is of the variety known as the Gravenstein apple measuring twelve inches in circumference, and a full-grown and well-colored peach. These were all grown on the farm of Mr F. C. Johnson.
