Artificial Coloring of Sugar Prohibited by the Government

FOR many years the Canadian Public has been eating Artificially Colored Sugars. Government reports show that some refineries have used Ultramarine Blue to make their granulated sugar look better than it actually is. Others made use of Aniline and Vegetable Dyes to give a brilliant appearance to their soft or yellow sugars.
The use of dyes or coloring matter of any kind is unnecessary in refining Cane Sugar. This is emphasized in a notification sent to all refiners by the Dominion Government prohibiting the coloring of sugar, and in cases where it is found, prosecution proceedings will be entered under the Adulteration of Foods Act.

We Wish the Public to Know that we Have Never Used Coloring Matter in Lantic Pure Cane Sugar and Never Will

Lantic Pure Cane Sugar was first put on the market about two years ago. Since that time over 200,000,000 lbs. have been consumed by the Canadian Public, and we are now turning out 750,000 lbs. of Pure Cane Sugar each day.
The reason for this enormous business is not hard to explain. It means that the discriminating consumer has learned by actual use that Lantic Pure Cane Sugar is superior to all others.
Having erected the most modern sugar refinery in the world, costing over \$4,000,000, we steadfastly adhered to our original policy of making only absolutely Pure Cane Sugars of highest quality, in which NO BEETS ARE USED, NO ULTRAMARINE BLUE IS USED, NO ANILINE DYES ARE USED, NO VEGETABLE DYES ARE USED.

The 'Community League' was closed three weeks ago for the summer. We miss our gatherings at the Hall on Thursday evenings where very enjoyable and profitable evenings were spent. The League closed by a good program arranged by the Social Committee, who always had charge of the last Thursday evening of each month. The 'current events' were read by Maurice Bishop, and a very interesting and amusing thing was a pantomime with several acts, the silent actors being three young ladies and three young men, who I apply to E. S. Crawley, Wolfville.

Acadia Ladies' Seminary.

1916-1917.
Acadia Seminary is about to complete another year. The year in point of attendance, in quality of work done and in every respect may be regarded as a prosperous one.
The attendance is summarized thus: Pupils in residence, 102 Non-resident pupils, 119 Pupils in Household Science Classes from public school, 58 Pupil registered twice, 1 Total, 278
The Senior Class numbers 24 Of these the Collegiate Course claims 4 Sophomore Matriculation, 3; Piano-forte Artist's Course, 1; Piano-forte Normal Course, 1; Course in Education, 8; Course in Household Science, (normal) 7.
Homemakers Course, 2
Fresh taking two courses.
In addition several girls will be presented with certificates in Stenography.
The graduating exercises will be held on Tuesday evening.
The series of graduation recitals has proved to be one of the best ever presented. The programs have been uniformly strong, the parts well taken and the large audiences interested and enthusiastic. All those, who either as principals or assistants have participated in these recitals, are to be congratulated.
Mention has already been made in these columns of the presentation of two flags to the Seminary. Not in these only has the Seminary become a debtor. A valuable gift from D. M. C. Smith, of Lynn, to the Art Department; the gift of a book to its Alma Mater; the gift of a book by its author, Mrs. Grace Deas McLeod Rogers; of a valuable bible by Rev. E. E. England; and other ways testify to the large place the school holds in the hearts of its friends and students.
Healthy Children.
It is natural for little ones to be well, and with care every baby can be kept well. The main thing towards keeping little ones well is to keep their little stomachs sweet and their bowels regular. Baby's Own Tablets will do this. Thousands of mothers keep the Tablets in the house as they find them an efficient guard against illness. Concerning them Mrs. Hilarie Desmarais, St. Joseph de Sorel, Que., writes: 'I believe Baby's Own Tablets are the best medicine in the world for children. My baby was terribly constipated but the Tablets promptly cured him and now he is a big healthy child.' The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Empire Day at Public School.

By the kindness of the college authorities the public school was allowed to use College Hall in which to celebrate Empire Day. At 1.30 p. m. Wednesday, over 300 pupils marched in column with waving flags and assembled in College Hall completely filling the seats on the main floor.
The following program was presented:
Violin Solo, Selection from 'Norma,' by Principo, Fochus.
Call to Battle, Chorus from 'Aida,' by High School.
O Canada, by whole school.
Recitation, 'There's Something in the British After all,' by Benj. Gallison.
We'll Never Let the Old Flag Fall, by whole school.
Reading, letter to boys and girls, by G. S. Campbell, Director of National Service.
Keep the Home Fires Burning, by
