MR. DRESSER—

Come to our store and buy your clothes and after that you will never study where to go. You will always come straight to us. We will give you good cloth, a good fit, proper cut and the prices will not be high. Right now we are selling a number of heavy winter lines at a 20 per cent. reduction. This winter duster weather will hardly last all winter, and even if it does you'll be money in pocket buying at the reduced prices.

The crockery made

In some pottery is not worth shelf room. You probably know the kind. It crazes and cracks all over. It is full of blemishes. It is crooked and wobbly.

The china and earthenware

Sold here is free from all these defects. You won't get angry every time you see a piece of our ware on your shelves. On the contrary you will want more of the same kind—see if you don't.
