NEW HEALTH AND NEW STRENGTH FOR SUFFERING WOMEN

In silent patience nearly every woman endures suffering that casts a shadow over half her existence. An aching back, tired limbs, attack of faintness, and headaches and backaches, need not be part of a woman's life. Such trials indicate plainly that the system requires the new blood that is supplied through the use of Dr. Williams' Pink Pills. These Pills are valued by suffering women who have used them above all other medicines, because they give the rich, red blood that makes women well, bright and at their best. Mrs. Fred Collard, Poplar Point, Man., says: "I can give you, but very small estimate of the suffering I endured before I began using Dr. Williams' Pink Pills. After the birth of my first child I suffered intensely from ailments that too often afflict my sex. This was complicated by an attack of bleeding piles, and the agony of the days and nights I endured is almost past comprehension. I tried many remedies, but they did not help me in my troubles, and from a healthy young woman weighing 140 pounds, I fell away in weight to 85 pounds. I grew so weak I could hardly walk across the floor, and there were times I hardly knew what I was doing so great was my agony. I went to Brandon and consulted a doctor who said that nothing would help me but an operation for both my troubles, and that I would have to remain in the hospital for at least eight weeks. Being a farmer's wife I felt that this was impossible, and while in Brandon I met a friend who strongly urged me to try Dr. Williams' Pink Pills, telling me that they had cured her trouble similar to mine, and after an operation had proved of no benefit. She had such strong faith in them that she gave me the first box, and I began using them. It was not long before I found much relief. I continued to use the Pills all the rest of that summer, and the result was they restored me to perfect health. I told the doctor what Dr. Williams' Pink Pills had done for me, and his reply was that he considered what they had done for me little less than a miracle. I have since recommended the Pills to many others who have suffered from woman's trouble, and they always produced beneficial results. I hope that this statement will be of benefit to some other suffering person."

These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

WHIRLED TO DEATH IN CHATHAM PULP MILL

Henry Dumont, aged about 30, met a frightful death in Chatham, Thursday afternoon, being hurled around in the fly wheel in the Miramichi Rossing mill, and having his brains dashed out. Dumont was in the employ of Wm. Groat, a teamster, and had backed up his team to the door of the mill. As the tail board would not work properly, he went back to fix it, but in some manner fell into the machinery and was caught in the large fly wheel. He was carried around at a terrific rate, finally striking his head on the roof and dashing out his brains. He had been married only a short time.

The Coronation

(Sonnet)
BY MICHAEL WHELAN

Tho' not an age for sentiment or song,
With avarice and haste on every hand,
The God of Mammon marching thro' the land,
While the great stream of Commerce sweeps along,
Ten thousand to the Coronation throng;
And millions in the proud parade shall stand.
From the great British Empire's farthest strand,
To which all races of the world belong,
The white, the black, the yellow, red and brown,
From every climate, continent and shore,
Hands shall be lifted to salute the Crown;
Hearts shall, in loyal love, libations pour,
Four hundred million souls this song shall sing:
"God Save Our Country and Our Gracious King."

NINETEEN-YEAR-OLD BOY TO HANG

Halifax, N. S., June 16.—John A. Tebo, a nineteen year old boy, was sentenced to death at Digby to-day for the murder of Edward Macgregor, an old man, and he will be hanged July 24th. While the judge was pronouncing sentence, Tebo stood in the dock chewing gum, and as he was being led back to his cell, he heaped curses on everyone connected with his trial. The evidence showed that Tebo knew that old man Macgregor was in the habit of carrying five hundred dollars on his person. Tebo asked Frank Calder to join him in killing Macgregor, promising to share the money. He told Calder that he would do the dirty part of the job himself. He killed the old man with an axe, and threw the body into a lane, where it was found later. The trial is the shortest on record in Nova Scotia. The evidence of 40 witnesses was taken and from the time the prisoner went in the dock till the judge pronounced sentence, only fourteen hours elapsed. The jury was out thirty minutes.

BABY'S LIFE THREATENED BY SUMMER COMPLAINT

The life of every baby is threatened during the hot summer months by that dreaded trouble—summer complaint. Thousands of children die every summer from this trouble—thousands of happy homes are made dark and sorrowful because a precious little life has been snuffed out. But mothers, though you fear this trouble, you can yet fight it—yes, fight it and defeat it with Baby's Own Tablets. Concerning them Mrs. Jos. Steff, Coult's, Alta., says: "During the hot summer days my little boy took ill with summer complaint. He was seized with vomiting and no-hing helped him till I got Baby's Own Tablets. They relieved him and made him a strong healthy child." The Tablets are for sale by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"The intelligence required for that solving of social problems is not a mere thing of the intellect. It must be animated with the religious sentiment and warm with sympathy for human suffering."—Henry George.

JOHN M'KANE DIED IN WEST

Well Known Resident of Newcastle Passes Away in San Francisco—Pneumonia the Cause of Death.

The many friends of John McKane will be shocked to learn of his death which occurred at the St. Francis Hotel, San Francisco on Thursday last, as the result of an attack of pneumonia. Mr. McKane who was making a tour of the west with Mrs. McKane, contracted a severe cold while at Los Angeles about two weeks ago and after proceeding to San Francisco, he developed pneumonia and soon passed away.

Mr. McKane had only recently been on a trip to England. He returned to Canada with Max Aitken, the famous promoter and later in company with Mrs. McKane, started on a tour of the west.

Mr. McKane who was in the 45th year of his age, was born in Dumferline, Scotland, and came to Canada about 25 years ago. He lived for a time in Newcastle, where he was connected with the Royal Bank, and while here was married to Miss Florence Sinclair, daughter of the late Edward Sinclair, of The Bridge. Some years ago he acquired extensive mining interests in British Columbia and Nevada which proved of phenomenal value. After realizing a large fortune, he sold out his mining properties, and made a tour of the world. About four or five years ago he took over the interests of the Edward Sinclair Lumber Co., of Newcastle, and retained control till about two years ago when he sold out to his brothers-in-law, Hubert and William Sinclair, who now carry on the business.

Mr. McKane was identified with various other enterprises, and at one time owned the Telegraph and Times of St. John. He made frequent visits to St. John and was a generous contributor to the charitable institutions of that city and other places, as many on the Miramichi can testify.

A man of kindly and genial disposition he had a host of friends who will regret to hear of his death. Well educated, and an omnivorous reader, he took a keen interest in public affairs, and was a strong supporter of the Conservative party. About ten years ago he was nominated by the Conservative party in a British Columbia constituency for a seat in the Federal House, but though he put up a vigorous fight he failed to win the election. Later he was offered a nomination to contest the Scottish constituency of Sterling against Sir Harry Campbell-Bannerman, but he declined to run.

Besides his wife, who was with him at the time of his death, Mr. McKane leaves a sister, at Dumferline, Scotland. His parents are dead and he had no children. Interment took place at San Francisco.

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.

A sound stomach makes for good citizenship as well as for health and happiness. Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of
