Spring Reminders  
Of Rheumatism

Raw, Damp Weather Starts the Pains, But the Trouble Lies in the Blood.

Spring weather is bad for rheumatic sufferers. The changes from mild to cold, the raw, damp winds start the aches and twinges, or in the more extreme cases, the tortures of the trouble going. But it must be borne in mind that it is not the weather that causes rheumatism. The trouble is rooted in the blood—the c. hangable weather merely starts the pains. The only way to reach the trouble and to cure it is through the blood. The poisonous rheumatic acids must be driven out. Liniments and rubbing may give temporary relief, but cannot possibly cure the trouble. The sufferer is only wasting time and money with this kind of treatment and all the time the trouble is becoming more deeply rooted—harder to cure. There is just one speedy cure for rheumatism—Dr. Williams' Pink Pills. They act directly on the impure, acid-tainted blood. They purify and strengthen it and thus root out the cause of the rheumatism. Here is strong proof of the above statements. Mr. Michael Personage, Fenlon, Man. says—"My mother suffered several years with rheumatism. We tried a number of remedies but they all failed to cure. Then we got Dr. Williams' Pink Pills, and after using them for some time she was completely cured and has had no sign of the trouble since."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

From Driver  
Basil Malley

A Nelson Boy is Enjoying Himself in Belgium

No. 90154 Driver B. Malley  
28th Battery, 7th Brigade  
2nd Canadian Divisionary Artillery  
Army Post Office, London, Eng.  
3-16

My dear Mother,

You will think I have forgotten you. I am sorry not to write oftener but it is sometimes difficult to do so. We are "Somewhere in Belgium" and most of us are in dug-outs and more or less comfortable. We drivers are away back with the horses, while the gunners are with the guns. Every day we take rations down to them, and also have to exercise the horses and feed them, so we do not have very much spare time. So far we are getting on all right, and are getting used to the roar of the guns. We are not allowed to give any details so you must be content to wait until I get home or to England on leave. We have had several very nice gifts of tobacco and socks, from Canada. I think Millerton or Newcastle sent some. It is jolly nice being remembered in that way. I wonder how you all are. I get good news from Lily, she is well and visiting her sister in another part of London. When you have time you must write and give me all the news. Joe is at the guns, and Wilbert McCallum with him. How is the recruiting getting on out there. From the papers it seems as though Canada is sending lots of troops. In our dug-outs we have lots of rats and at night they are a bit of a nuisance as they make so much noise. We have from 2 to 6 or 8 men in a dug-out and on the whole it is not too bad. We are not very far from a village and can get all kinds of odds and ends. There are also several Y. M. C. A.'s about. This is all for now. Write soon. Remember me to all friends. With fond love and kisses,

I am your affectionate son,  
BASIL.

## SUNNY CORNER

Apr. 10—Miss Georgina Menzies has returned home after a very pleasant visit of some ten days, with her cousin, Miss Georgina Tozer.

Mr. Weldon Tozer while working on the woodcutter, Saturday, had the misfortune to slip and fall up against the flying saw, cutting his arm in several places. It was lucky someone was near to catch him or it might have gone very hard for Weldon. Dr. Beaton was summoned and he found it necessary to insert seven stitches.

Elizabeth, infant daughter of Mr. and Mrs. Allen Nowlan is in a very critical condition, owing to a wound received in the knee by a pin some two weeks ago. Dr. Beaton is in attendance.

Mr. Chas. Mullin who has been confined to his home for the past two years, is feeling very miserable lately.

Miss Irene MacAllister, who was

here a few weeks ago soliciting pupils to study music succeeded in getting about a dozen. She expects to return Monday and begin work.

The Red Cross social which was held here recently was a grand success, considering the many obstacles and the bad roads. About \$65 was realized.

Lieut. Wilson passed through here Wednesday en route to Redbank to conduct a recruiting meeting in the Orange Hall that night. No recruits are reported as yet.
