

RHEUMATISM GONE; WALKS WELL AS EVER

Manitoba Man's Legs Were Stiff as Boards And He Ached From Head To Foot—Had Suffered Five Years.

"I heard so many people telling what Taulac had done for them that I tried it in my own case and I am convinced it is a wonderful medicine," said David Wellington, a well-known drug clerk, Harperus, Manitoba.

"For five years I had been a sufferer from rheumatic fever. I simply ached all over from head to foot and my bones felt like they were going to crack. My knees were so stiff actually I used to walk like I had wooden legs, and I just dragged one foot after the other. Everything I ate seemed to sour on my stomach and I was bothered a good deal with back ache and headaches.

"I began to improve gradually from the first dose of Taulac and kept it up until my stomach was in perfect condition and the rheumatism had left me. I am in splendid health now and feel that it is only right that I should tell my experience so that others who suffer as I did may know where they may get relief, too."

Taulac is sold at all leading drug gists.

When reformers hold their meetings a miserable time is enjoyed by all.

SOLDIERS' MEMORIALS

The Editor,
Union Advocate,
Newcastle, N. B.

Dear Sir:—
Even populous centres are finding it difficult to raise suitable soldiers' memorials. Difficulties arise not only as to the form the monument should take, but as to the site, cost, etc. The chief trouble seems to be that many of the schemes are too elaborate and expensive-impracticable, mainly on financial grounds in these days of necessary economy. With the return of industrial prosperity, however, such communities will very probably find an easy solution of the problem. Then gratitude elicit pride feelings of patriotism and reverence for the memory of their noble dead will impel the living to perpetuate their memory in a manner befitting the magnificent services they rendered their country and the world.

One should be more concerned for the keeping green of the memory of the splendid men who came from the remote and sparsely peopled settlements from the lonely camp, farm or mine—and gave their all for their country with a splendid patriotism that must never be forgotten.

Such poor and thinly settled communities may find in the following suggestion a means by which they may permanently perpetuate the memory of their local heroes at a negligible cost of money. All that is needed is a spirit of cordial co-operation on the part of a few men and women who are interested. These

SAID HE COULD NEVER BE WELL

"Fruit-a-lives" Restored Him to Health

159 AVENUE PUIS IX, MONTREAL
"For three years, I was a terrible sufferer from Dyspepsia and my general health was very bad. I consulted a physician and took his medicine but I did not improve; and finally he told me that I could not be cured.
At this time, a friend advised me to try "Fruit-a-lives". After taking two boxes, I was greatly relieved; and this fruit medicine made me completely well. My digestion and general health are now splendid!"

should get together as soon as possible and arrange for the removal of a huge natural rock or boulder—the bigger the better—to say the district school grounds or nearby cross-roads (or the church or grave-yard if easy of access.)

On Arbor Day (about May 7) the children of the vicinity should plant a maple tree, assisted by the teacher and school commissioners, with appropriate ceremonies, near the rock or boulder, hereafter the cenotaph of the soldier whose memory the community desires to perpetuate. At the roots of each tree thus planted, place a sealed bottled or crockery-ware vessel containing a brief record of each soldier honored, signed by the mayor, school commissioners, councillors, teachers, neighbors and other interested persons. Such a record should give the parentage of the soldier, the place of death, etc. Current coins and newspapers in a glass or crockery-ware container, should also be placed beneath the cenotaph.

And in the schoolhouse (church or lodge room) on the same day, an official Roll of Honor surmounted by a small silken Union Jack should be unveiled, and the whole—cenotaph, maple trees, roll of honor and flag entrusted to the children for safe keeping, it being impressed upon them that it is at once a duty and a privilege to cherish the memory of our country's heroes, 70,000 having died in the cause, of humanity and right.

It may be added that the rock or boulder used as a cenotaph should be large enough and of such sort as would allow of the soldier's name etc being cut upon it at the time if the services of a capable mason are available; if not, this could be done later by a modern Oil Mortality who reverences the glorious memory of Canada's noble dead. One word of caution. Care should be taken that the rock selected for the cenotaph should be of a time-defying, element—withstanding sort—not a rock that readily splits or crumbles. There are competent men in every locality who would advise wisely as to the choice of a suitable boulder.

Yours truly,
Eustis, P. Q. D. LOWEL

Conservative Association Formed In Winnipeg

Winnipeg, Feb. 21—Declaring themselves true to what were described as the traditions of the party and the national policy which was stated to have been instrumental in the development of Canada and disdaining the use of any "hyphenated appellation" the Conservative Association of Winnipeg was formed here last night.

Hon. Robert Rogers, former Minister of Public Works, declared the Conservative Party was defeated and handicapped, not December 5, the day of the federal election, but when it was decided to admit "political patronage mongers" into the Union Government.

When the roll is called up yonder politicians will want a recount.

WANTED TO WED HIS STEPMOTHER

Bangor, Me., Feb. 21—William Brooks appeared at the office of the city clerk yesterday to enter a vigorous protest against the issuing of a marriage license to his minor son, who, he said, wanted to marry his step-mother, the divorced wife of Mr. Brooks.

As the law prohibits the marriage of a man and his step-mother, City Clerk Brett refused to issue a license to the boy when he came after it, having filed his intentions on Feb. 15.

The prospective contracting parties were Frederick Brown Brooks, aged 20, and Mrs. Georgiana Dingle, aged 36, according to the form tendered the city clerk, but the father of the boy said emphatically that the woman his former wife, is 48 years old.

In the application for license the boy gave his father's residence as Newcastle, N. B., while the father claims a residence in Bangor—Daily Mail.

St. John, Feb. 23—Frederick Brooks, of Bangor, Maine, whose attempts to marry his step-mother had attracted considerable attention succeeded in his purpose when the pair eloped to McAdam, N. B., yesterday. The wedding was performed but when they attempted to return to Bangor they were refused admittance to the United States by the immigration authorities. They now are in St. John. The lady in the case had been divorced from her bridegroom's father and she alleged that the law forbidding such a marriage was inoperative in this case. Brooks is twenty years old and his step-mother bride more than twice his age.

Enquete Of Rev. Fr. Delorme Postponed Until Feb. 28

Montreal, Feb. 21—The enquete of Rev. Father Delorme, on a charge of murdering his brother, Raoul, was this morning postponed until, Feb. 28. A huge crowd collected in the neighborhood of the court in the hope of catching a glimpse of the abbe, but they were disappointed, because the priest was spirited in the building by the police and after the brief session was taken out again without any one seeing him.

The Kidneys

The office man and the outdoor worker suffer alike from derangements of the kidneys.

Backaches and headaches are among the symptoms. In some cases Bright's disease soon develops, others suffer from high blood pressure until hardening of the arteries sets in.

In order to forestall painful and fatal diseases prompt action should be taken at the first sign of trouble.

Mr. A. D. MacKinnon, Kirkwood, Inverness county, N.S., writes:

"I can highly recommend Dr. Chase's Kidney-Liver Pills to all suffering from weak kidneys. I suffered from kidney disease for a long time. I may also say that for three years I was nearly always troubled with headaches, and no treatment seemed to do more than afford temporary relief. I was finally told of Dr. Chase's Kidney-Liver Pills, and after using a few boxes was completely relieved. I have also used Dr. Chase's Cholesterol with the best results, and never fail to recommend these wonderful remedies."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

A POPULAR OFFICER

The Canadian Pacific Steamships, Ltd., S. S. "Montcalm," which has just completed her maiden trip across the Atlantic is under the command of Capt. G. S. Webster, R.N.R., R.D. He was born on September 3rd, 1867, and joined Messrs. Elder Dempster & Co., on Mar. 21st, 1892. Capt. Webster is one of the most popular skipper on the Atlantic; his first Canadian Pacific command was the "Lake Michigan" in April, 1903, when Elder Dempster's Steamers were taken over by the C. P. R. Since 1903 Capt. Webster has commanded such well-known C. P. R. liners as the "Montrose," "Lake Champlain," "Lake Manitoba," and "Empress of Britain," and during the War the "Metagama" and "Melita" made many voyages across the Atlantic under his charge.

Children Cry for Fletcher's

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

"Can"

ADVERTISING is the public expression of a master's will and wish—his word of power.

We want to say this to the merchants of this town:

You CAN make the public of this community buy more goods from you.

You CAN teach the public new customs, new tastes, new habits. You CAN make the public do what it is not in the habit of doing. Powerful and persistent advertising has revolutionized modern life. It sends people travelling. It has made them photographers. It has made the motor-car a necessity. It makes women change the fashion of their apparel twice or thrice a year. It selects the very food we eat.

A WORD TO THE PUBLIC

Does not the publicly expressed will and wish of the merchants of this community influence you in your shopping? Do you not go where you are guided? Are you not very attentive and responsive to the advertisements which appear each week in the columns of the "ADVOCATE"?

Shop Where You Are Invited to Shop
