The local company, who so successfully placed the play "Hazel Kirk" before the public here were passengers by yesterday's train to North River, where this interesting play was to be put on the boards last night.

### HEALTH RESTORED TO THIS FAMILY

Wife's experience with Dr. Chase's Nerve Food led to husband's cure.

"Since childhood I was afflicted with biliousness and sick headache," writes Mr. A. K. Van Wyck, Park Hill, Ont., "and as all the doctors' medicines and prescriptions failed to do me any permanent good, I had lost faith in all medicines. It was by accident I came to use Dr. Chase's Nerve Food, for it had been recommended for Mrs. Van Wyck and did her so much good that she wished me to try it.

"I did so, and was surprised at the results. It is now three years since I discontinued the medicine and I have not had an attack of the old trouble. I hope that others may benefit by my experience."

The cures effected by Dr. Chase's Nerve Food are lasting because it builds up the system and removes the cause of trouble. 50 cents a box, 6 for \$2.50 at all dealers, or Edmondson, Bates & Co., Toronto.

The members of the Methodist Epworth League gave their friends a pleasant time at Coughlan Hall last night. Songs, recitations and dialogues filled the programme. A squad of lads from the K. E. Brigade were present and were put through the different parts of their drill to the satisfaction of all present. The evening was much enjoyed.

Mrs. John Casey went out to Bell Island this week to visit her sister, Mrs. W. Power, who had been very ill but who is now much improved.

Messrs. Charles Ash & Sons are now busily engaged getting their Shoe Factory in working order. Some parts of machinery are not along yet, being held up somewhere, perhaps at St. John's. Even the lifeless machinery seems to have an idea that it must remain at St. John's, and so hides itself away for that purpose. As soon as these truant pieces arrive the work will be pushed ahead without delay.

Mr. John T. McRae has just arrived from Shelbourne, N.S., where he purchased a couple of schooners of about 100 tons each. These vessels are now at Sydney loading coal for here. We wish the firm of McRae & Sons every success with these vessels.

The funeral of Mrs. Tobin, widow of Mr. Peter Tobin, took place at Carbonear at 9 o'clock yesterday morning. The old lady had reached the good old age of 80 years. She was the mother of Mr. John Tobin, now of Carbonear.

**LADY TO REST.**—The funeral of the late Joseph Gardner, who was fatally injured on the railway, took place yesterday afternoon. A large number of mourners attended, including employees of the Reid Mill Co., as well as Rev. Mr. Gardiner, of Hickman's Harbor, brother of the deceased. The remains were laid to rest in the Church of England Cemetery.

### An Enjoyable Concert.

The very stormy weather of last night prevented many from taking in the concert given by Mr. Allen, in the College Hall. Those, however, who did attend were afforded a treat which they did not anticipate but eventually enjoyed, and though our sketch of the concert must necessarily be brief, we cannot refrain from referring to some of the very pleasing themes introduced. The orchestra's Entr'acte in E minor from Rosamonde, of Schubert's composition, was capriciously executed. Molly Fitzpatrick's very pretty voice was heard in Caro Mio Ben, a conception of the clever Italian composer Giordani. Miss Amy Cornick with clever execution rendered four short pieces from Bach on the piano, and Mr. Allen's rendition of elaborate compositions received much applause as they certainly deserved.

**WILL TAKE A HOLIDAY.**—For years Capt. Thos. Fitzpatrick of the s.s. Fortia has either fished as a banking master or carefully navigated a coastal boat over a treacherous stretch of coast. Before taking up his new duties at Placentia, he and his wife will go for a holiday trip to the United States where both have many relatives. Mrs. Fitzpatrick has a sister in Bristol, Conn.

### The Tories Hurt.

Yesterday we referred to the fact that niggers were the latest immigrants and that one of them had applied for a position in the police force. The force has been practically denuded of its best men and they, instead of being incensed, enjoyed this heartily, because they knew it was true, as the Telegram asserted, that a nigger had applied for a position. The person who only a few days ago ridiculed the Kite's crew is hardly the one to try to lecture the Telegram. The police remember a little incident of a few years ago. They draw the color line and they know that the Telegram has consistently advocated better treatment for them. Did the news?

### More Promises.

The Premier before he went picnicking—leading the dance as we remarked the other day—promised the people of Coley's Point a cold storage depot. The "foxes" E. P. is after the votes of the men of Conception Bay, but his promises are received with a chilliness such as is usually inseparable with a subject like cold storage. As a matter of fact it is known that the doughy E. P. promised every village in Conception Bay cold storage in pre-election times. The people are now as wise as he is and laugh at his "codding." They will terminate it in 1913.

### Prescription 'A.'

Is the one and only genuine preparation that cures Indigestion and Dyspepsia in all its forms.

It is quite a daily occurrence to hear a person say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness, and headache. I feel too tired to do anything. I have no heart to exert myself, and at times I care for nothing."

I often have a pain in the pit of the stomach after eating, that is (if I am able to eat). My heart beats rapidly on the slightest exertion, and I am just as tired when rising in the morning (even worse) than when retiring at night. I often awake in my sleep and imagine that I am going to suffocate, and very often afraid to go to sleep again. I have to take particular good care of what food I eat. All these symptoms make my life not worth living."

So, why do you insist on suffering from all these unnecessary symptoms when STAFFORD'S "Prescription 'A.'" will do the work.

This genuine preparation is manufactured by DR. F. STAFFORD & SON, St. John's, Nfld.  
Price, small size, 25 cents, postage 5 cents extra. Large size, 50 cents, postage 10 cents extra.

**Paid \$1500.**

Special to Evening Telegram.  
LONDON, May 9.  
The first compensation claim in connection with the Titanic disaster, has been made at Liverpool by the widow of a bedroom steward on behalf of herself and five children. The Company admitted liability yesterday and paid \$1,500 into Court, the maximum amount for which the Company was liable.

### Here and There.

The s.s. Adventure left Louisburg yesterday with a cargo of coal for Botwood.

THE GENUINE Indigestion and Dyspepsia preparation is called "Prescription 'A.'" Sold everywhere for 25 and 50 cents a bottle.—ms,tf.

A LONG PASSAGE.—The schr. Banabee, Capt. Willis, is now 61 days out from Cadiz to this port with a cargo of salt, and anxiety is beginning to be expressed for her safety.

Dr. Macpherson will be absent from the city for about five weeks, during which time Doctors Rendell, Scully and Cowperthwaite have kindly consented to attend to his practice. may,th,s

**ARRESTED FOR THEFT.**—The proprietress of a boarding house at Bell Island was arrested there a few days ago charged with the theft of seventy five dollars (\$75.00) from two gentlemen boarders. The accused was tried before Magistrate Power, admitted her guilt, but judgment is so far reserved.

Ask your Druggist for **SERRAVALLO'S TONIC** (Bark and Iron Wine).

Cures: **ANAEMIA, CHLOROSIS, DEBILITY, Delightful Taste.**

Make house-cleaning easy in this way if you have all of it to do yourself: Take one day to attend to all the lighting fixtures, mirrors, and pictures all over the house; another day or two for all the windows; one day for the walls, picture molding, etc. The doing of the work in this way makes it unnecessary to have things in disorder.
