BUY MATCHES

Made in Newfoundland by Newfoundlanders.
Instead of those "Made in Germany," or "Denmark" or "Tim-buc-to."

Abram Lincoln, President of the U. S. A., once said:—

"I do not know much about the tariff, but I do know this much: when we buy goods abroad, we get the goods and the foreigner gets the money; when we buy goods made at home, we get both the goods and the money."

This may be a hard winter for our Colony, keep your money at home; buy Matches made in Newfoundland. Matches that are the Best, Cheapest and most suitable for Home, Woods and Vessel.

Manufactured and Guaranteed by

Horwood Lumber Co.

(Limited.)

N.B.—If you cannot get these Matches in your district, write to us and we will have them forwarded to you.

The state of war makes our winters none the less severe. In making your old suit or overcoat do for the winter may be false economy. Protect your body from the warring elements by ordering one of our Heavyweight Overcoats. Owing to general depression in the woolens we were enabled to buy in a splendid variety of Winter Suitings. Also a very fine range of Winter Suitings. Write for samples and self-measuring cards, as we guarantee results.

The Eastern Trust Company directs attention to the public to the advantages offered by its Safety Deposit system of boxes.

In the vault in its office there is installed a nest of deposit boxes of the latest design and of the greatest strength. These boxes can be opened only by the customer. A room is attached where the customer may examine his securities at leisure. The price of these boxes vary according to size. The smallest box in the nest is capable of holding conveniently the papers of the ordinary investor. The larger sizes are suitable for professional men who hold documents in trust for clients.

The prices are:—

| Size No. 2 | 5.00 per year |
| Size No. 3 | 10.00 per year |
| Size No. 4 | 20.00 per year |

This system is capable of supplying the needs of every class of person desirous of ensuring the safe deposit of securities.

Fishery Gear!

WE ARE MANUFACTURERS of the GILL NETS, used by Messrs. Job Brothers & Co. in the Straits this year. They have been successful at a time when traps had partially failed. We make them in all sizes to order.

WE ARE MANUFACTURERS of COTTON DRIFT NETS, such as are used in the North Sea Herring Fishery. As the catch of Herring will be interfered with during the war, a good opportunity occurs for use of these Nets in Newfoundland.

WE ARE MANUFACTURERS of the celebrated STANDARD brand of Herring Nets, which is universally acknowledged to be the very best Net on the market. We are now making the CRESCENT brand Herring Net, which is the best and strongest LOW PRICED NET MADE. It is mounted just the same as the Standard Net, and it is barked for preservation, not merely dyed like other cheap Nets.

WE ARE MANUFACTURERS of SQUID TRAPS, which are now legal; we make them in any size required, to order.

We manufacture TARRED COTTON LINES, all sizes, for Bankers' use; strong, durable and easily handled.

We make COD TRAPS, COD SEINES, CAPLIN SEINES, ETC., to order, in all sizes.

All the above fishery gear we can strongly recommend, and we would urge our fishermen to patronize articles of home manufacture, in order to give employment, which is so much needed this year.
