Portia

Here is a New Game for the Children, AMUSING AND INSTRUCTING.
The Fox Educational Board for good boys and girls. Educate your children while they play.
The Sentence and Wordbuilder consists of 48 letters and pictures from which the groups of words and sentences may be built, separate, and rebuilt, while the child plays until his interest in spelling and in writing, as well as in the meaning of words, is forever rightly fixed.
Introduce the Letters and easy Words slowly. As soon as the child gets acquainted with a few letters and words, and the process of Word Building, he will be able to build his own thoughts into words and sentences.
The board is in the form of a circle, is strongly made, of a bright color and is nicely decorated. A most attractive looking game and one that will stand a lot of hard wear.
The price is \$1.75 each, and there are only ten in stock.
