LIGHT, HEAT, COMFORT!

The proprietor of one of the best known multiple shopping systems is credited with saying, "Give me any old shop, in any old street, and I'll guarantee to make it in twelve months the most widely known and best frequented shop in the district."

Mixed metaphors, perhaps, but expressive. Now we can more than imagine the kind of shop this well-known individual would open, for we pass it in almost every town—always a landmark to the street. No one fails to notice it. There is an indefinable air of welcome and invitation as one stands for a moment on the pathway and lets one's gaze travel inside it.

We cordially invite all progressive business men to visit our showroom and see our latest Lighting and Heating Appliances, by the adoption of which the ideal outline in the above extract from a London paper may be easily secured.
