ion in the enjoyment of their Will Now Deal With the Armisti Situation. London, October 25 .- It is under-

> stood that President Wilson's latest note to Germany is approved by the Allies and represents, in a general sense, their views of the situation. It has been erroneously assumed that the Allies have been leaving the brunt of the negotiations to fall on Mr. Wilson, but as a matter of fact, when the Central Powers elected to approach one of the belligerents singly the others stood aside in the preliminary stages of the negotiations. Now that the President has consentwill give place to definitely concert d conduct of the situation and that remilitary commanders will constitute the joint terms of the associated Pow-

### Central District Court.

W. J. Ellis, against Mr. James Boggan, for recovery of the cost of erecting iron gates at Littledale, was heard, the proceedings being exceedingly lengthy. The sum involved was \$150, plaintiff contending that defendant had employed him to do this work. while the defendant denied liability, on the ground that he had donated the gates to the Convent, but had not given any instructions to plaintiff for thei rerection. In summing up Judge Morris said that as there were no witnesses to confirm the evidence of their erection. In summing up Judge ment in favor of Mr. Boggah. The legal Counsel employed were Mr. Wood, for plaintiff, Squires, K.C., for

### The Day.

few retired teachers have given in the cause of education, and if they have their interest at heart they will make a special effort now to better their condition and thus show in a practical way the sympathy they have often professed for these forgotten few.

British drums were beating through the streets of Lille this morning. As the tender light of autumn was with gold her apires adorning; And happy hearts kept rhythm with the beating of the drums, while voices sobbed and quavered: "The Liberator comes!"

The muffled tram of infantry was dying in the distance.

The heavy-feoted Hun had gone—had fied without resistance;

He had seen his dom approaching and had taken timely warning;

So the British drums—were beating through the streets of Lille this moving!

Aye, the British drums, and Belgian,
American and French
And Italian, roll a fanfare o'er valley, hill and trench;
From North Sea down to Switzerland
the freedom chorus runs
At the heels of vanquished Hindenburg and his cowering, flying
