SUNLIGHT SOAP

THE Sunlight enterprise and organization for production, manufacture, and distribution were made complete long before the war. But during the war the difficulties and costs of transport have been multiplied. Therefore, Lever Brothers have purchased a fleet of steamships to convey raw materials direct from their plantations to Port Sunlight.

The Housewife is given the full benefit of this enterprise, and thus, in spite of the difficulties caused in England by the war, Sunlight Soap remains the best soap throughout the world, and gives the fullest value for the housewife's money.

THE SUNLIGHT SERVICE IS THE MOST COMPLETE SOAP SERVICE IN THE WORLD. SUNLIGHT SOAP IS MADE FOR THE HOUSEWIFE'S PROFIT, FOR ONLY THEREBY CAN THE MAKERS HOPE TO PROFIT BY SUNLIGHT SOAP.

Grand Concert in Aula Maxima.

What was voted to be one of the most successful and pleasing enter-ments, ever held there was given in the Aula Maxima to a very large and appreciative audience, New Year's night, under the management of Mr. Chas. Wiseman and Mr. Gus Hodder, the former as stage-manager and the latter as musical director. Among those present being Rev. Dr. Greene, Father Savin, Fr. Renout and Fr. St. John, and a number of Christian Brothers, besides a large number of leading citizens, after the performance a vote of thanks was tendered to the Company by Dr. Greene on behalf of the Holy Name Society, after which an excellent repast was tendered the Company by the committee, to which full justice was done. Each item on the programme was rendered excel-lently. Sincere thanks are due all concerned, especially Messrs. Wiseman and Hodder for their efforts in making the concert a success.

Proprietors Honored.

On New Year's Eve, Mr. I. C. Morris, proprietor of the well known sail-works, and Mr. Ronald C. Morris, his son, were presented with an office chair and gold ring respectively, by the employees. The presentation was made by Mr. John McGuire, the senior sailmaker in the country. Mr. McGuire was prominent in sail works during the business days of the late Charles Hutchings. Messrs. Morris replied expressing their surprise and thanks at the tangible appreciations of good will of their staff towards themselves.

Obituary.

MRS. EUGENE TAYLOR.

At three o'clock yesterday morning, Mrs. Eugene Taylor passed to her eternal reward. Mrs. Taylor had been an invalid for some years, but through out her lengthy illness bore up with the courage characteristic of a Chris-tian. Her three sons enlisted at the outbreak of the war, all three having paid the Supreme Sacrifice one daughter, Miss Isabelle Taylor, has for the past year been engaged in V. A. D. work in England, four others share with their father and absent sister their irreparable loss. Mr. J. P. Powell, Carbonear, is the only sur-viving sister. To the sorrowing relatives the Telegram extends sincere sympathy.

HOWARD TAYLOR.

After a few days' illness, of pneu-monia following influenza, Howard Taylor, of S. Milley's employ, passed away just before last midnight; the visiting doctors being powerless to do anything that would save his life. For years Mr. Taylor has been in Milley's employ, being looked upon as one of our most efficient business men, and his presence will be sorely missed by those who were fortunate enough to come in contact with him. We ex-tend our sympathy to the parents, re-latives and friends of the deceased gentleman.

STRAITS ICE-FILLED. — Captain English, of the s.s. Ethie, who arrived at Humbermouth yesterday, from Bat-tle Harbor, reports the Straits packed with slob ice, and that during the past week southeast snow storms, with heavy frost, prevailed.

Poor Asylum Concert

On Monday afternoon at the Poor Asylum, the annual tea and concert given by a number of charitable ladies, took place, the inmates too, joyfully enjoying the occasion and ap-preciating the kindness that prompts it. The concert consisted of items by Mrs. Cabell, Misses Curtis, Brown Barron, Shears, Hiscock, K. Powe and Barns, and at the close refresh-ments were served by a number of ladies under the direction of Mrs. P. Burke. The male inmates of the Institution received a plentiful supply of pipes and tobacco, which, needless to say, were very much appreciated. These ladies deserve hearty thanks for their christian efforts in relieving the monotony that must otherwise have been experienced by the unfor-tunates at the Poor Asylum.
