General mortgage 8 per cent. bonds, interest payable May and November. Maturity March 1941. This company is the largest manufacturer of newsprint in Canada. Net earnings available for interest on this new issue of \$3,000,000 averaged for past five years \$1,229,472, or five times the necessary amount. For the year ending June 30, 1929, the net earnings were ten times sufficient to meet the interest on the new issue after all other interest provided for. The management is efficiently organized and has proven itself progressive and successful. In view of the property's excellent condition, the large assets and its proven earning power, we recommend these Bonds as a sound investment. Price 99 and interest. Yield 8.1 per cent.
