## Sturdy Simplicity

Dunham Traps are made with extreme care and accuracy. The result is sturdy simplicity. Nothing could be more simple than the two-piece Dunham Trap; and judging from service records of those in use since 1903, Dunham sturdiness is exceptional.

The Dunham Radiator Trap maintains a radiator at its maximum heating efficiency by permitting the passage of all air and water from the radiator and holding all steam within the radiator until it gives up its heat.

DUNHAM SPECIALTIES—Packless Radiator Valves, Radiator Traps, Drip Traps, Blast Traps, Air Lift Valves, Vacuum Pump Governors, Reducing Pressure Valves, Oil Separators, Section Strainers, Air Vents, Return Traps, Check Dampers, Damper Regulators.

## STEWART'S Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.

The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.
