Mrs. Cunningham presided at the organ and rendered the Wedding March. After the ceremony, the party repaired to the Seaview Hotel, where a brief reception was held. The happy couple returned here by car and a reception was held at the bride's home, Hawthorne Cottage, only the immediate relatives being present, after which they repaired to their new home. Water Street West. The bride was in charge of the Junior Department of the High School, and was an active member of St. Paul's Sunday School and various Church organizations, while the groom is a popular broker and commission agent of this town. The many congratulatory messages and numerous presents received testify to the esteem in which they are held. We join with their many friends in extending to Mr. and Mrs. Butt many years of unalloyed happiness.
