It Now Looks as Though the Socialists Would Control Next House.

Vancouver, Jan. 17—Nomination day, Jan. 19, will find five parties in the field for the British Columbia general election, Liberals, Conservatives, Socialists, Laborites three to at least six. One works it the latter possibility. 18, Conservatives 16, Socialists 8. Each man, however, limits his proparty lines were first introduced, the Liberals went into the contest leaderless and without having had the servatives. Socialists, Laborites three to at least six. One works it the latter possibility. 18, Conservatives 16, Socialists 8. Fach man, however, limits his proparty lines were first introduced, the Liberals went into the contest leaderless and without having had time to formulate a deynite policy. Today the party is united and entities of the last general election, when party lines were first introduced, the Liberals went into the contest leaderless and without having had time to formulate a deynite policy. Today the party is united and entitle and latter possibility.
