## IG TO SLEEP BY A BURGLAR

Little Girl Mistook the Masked Ex-Vice-President of the Domin- shop for the manufacturing and re-Man for Her Own Father.

Meehan, having been nursed by a burglar, a real burglar with a black mask and dark lantern, is now the envy and admiration of her playmate in the neighborhood of her father's home at Wadsworth avenue and One Hundred and Eighty-eighth street.

Helen, who is only 4 years old, was picked up from her bed early yesterday by the burglar, who wrapped her tenderly in the coverlet and then carried her down into the cellar, where he sung her to sleep. Then the burglar went back to work and collected to a cabinet position, minister of public to take place to take pla and jewelry of Helen's father, who is the contest is being waged seem to me a lawyer in the Potter building, on to have obliterated many, if not all department for having expressed

been carefully locked up for the night, he made no attempt to secure any of it, but made his way softly up to the second floor, his felt soles making no In a room in the rear of the house he discovered the little girl sleeping, but as he approached her bed she opened her eyes sleepily. "Hello, papa!" she said, and the burglar waited tremblingly, fearing

The child smiled comfortably as she snuggled down among the covers, however, and was in no fashion alarmed.
"Papa's playing black man," she said, looking with half-opened eyes at

the cry of terror he expected from the

"Yes, papa's playing with his little girl," said the burglar, as he picked fact that the Conservative party is clated. the child up and, wrapped the covers very much at variance on one of the Instantly she sank back to sleep and knew nothing of the trip down the two flights of stairs to the cellar, taken by the burglar with soft, catlike steps. But she awoke as he placed her in a corner, covering her Whereupon he crooned coon songs to her for a while and then went back to his dangerous task of looting involved that I have not been fair and

On the way he stopped in the diningof which it is believed he handed out served, so, with this brief apology, I of the window to a fellow burglar, will endeavor to offer a few facts a servant girl on the top floor sent port the Hon. Mr. Hyman in the com-

Mr. Meehan at once discovered the strange absence of little Helen and the whole house joined in the search for the child. She was at last found

# THOUGHT IT

Note That Saved a Moroccan's Life Was Cast Into the Sea at New York.

Akron, Ohio, June 9. - A bottle containing a nickel and a message, set afloat 11 years ago by Attorney W. J. Laub, of this city, in New York harbor, was picked up recently at Fez. Morocco, and today Laub received a letter from the finder, who signs himself Si Ahmad Bin Musa. The letter

"Fez. Morocco. "Most Honorable Sir-I send you. with this epistle the piece of money you request be returned to you. gives me great pleasure to do so. It was the instrument by which one of my most cherished servants, returned to me after running from me and had gone down to the sea to drown himself, but seeing the bottle floating about, he rushed into the water and frantic- death. ally seized it, and upon opening it, not!

ing the message carefully I deciphered the language and I was so pleased again to find my servant that I took it to my private apartments. I ordered meat and wine to be served in honor of the little message which saved my servant's life and brought him back to me. I am a thousand times thankful your little missive of kindness which must have led you to do this, and if at any time you may decide upon visiting foreign shores I will be very pleased in meeting such a bright It Partially Wrecks Playhouse and and thoughtful gentleman from the great country of the west. "It is with humble thanks I bid the

farewell. Your most humble servant, "SI AHMAD BIN MUSA." 6:50 p.m. to New York Via Grand

logical building at the experimental farm, conservatories on Government Hill, Major Hill Park and Rideau Hall, and it may be mentioned that the department has established its own shipyards both here in Ottawa and at Sorel, for the building of dredges and repairing of the same.

All painting, carpentering masonry, plumbing, brickwork, snowcleaning, etc., on public buildings, formerly done by contract, is now being done by day labor, which means the employment of large numbers of skilled and unskilled labor, directly by the Covernment and not subjected to the Government, and not subjected to the exploitation resulting from the

which prevail at present in the De- lution went on to assure the minister

In taking this liberty, I hope not to son of Mr. Hyman but as previously be misjudged or to be considered stated all members of the Liberal party are not so favorable, and it is rant for it. If the election were a general one or the fate of the Govern-The effect would soon become apparbe justified in considering it presumption on the part of myself or anyone ent in other departments, such as railelse from another part of the country ways, postoffice and militia, where day

FAIR WAGES.

In this connection it is necessary Trades and Labor Congress, many of May, 1905, in which we see the fair-of the old men in the labor wages schedule embodied in the contract movement in London who know me, for an addition to the postoffice at London, in which the union scale is accepted for all classes of labor, and in the getting of which the Government protects the workmen, making strikes a thing of the past so far as wages and hours are concerned.

The same rule prevails with all emof the Hon. Mr. Hyman the wages of commenced, and is gradually develop- better the workers' industrial condi-

that labor men here in Ottawa, whether Conservative or Liberal, are surprised of mankind, and the success of the at the magnitude of the spread of the cause must fail unless it is guided by principle, and this policy, I may assure you, the workers of London, has provoked strenuous hostility on the fits accorded to us by those who occupy provoked strendous nostinty on the part of the contractors and their positions which enable them to inaugfriends in Parliament, and has been urate measures which will lessen the Hoping this appeal will be accepted

only of the Opposition, but of many on the Government side of the House who do not look with favor on the in-Under the administration of the public works department by the Hon. Mr. Ex-Vice-President Dominion Trades

### PLANS TROUBLE FOR CASTRO FLAGGED TRAIN FOR CHEW

Funeral of "El Mocho's" Son May Fast Freight on the N Y. Central Cause Revolutionists To Try Again.

Philadelphia, Pa., June 9.—General Hernandez, "El Mocho," has determined to have the body of his son Juan, who died in this city yesterday, cremated and the ashes taken to Venezuela, in defiance of Castro's edict that the general nor his sons shall enter the country again on penalty of

Hernandez is now returning from a being able to read it, thought it was conference with the St. Louis revoluthe man. a message from the 'Great Allah,' sent tionary junta and is very bitter to-him to return to me. He hastened to ward Castro, whom he directly acreturn, bringing the letter and the cuses of being responsible for his son's coin with him. I had missed him for several days and his raiments were Juan had died from double pneumonia and that there was no trace of poison. The news of the boy's death has aljoy that I hurried to greet him as one of my own flesh. He then showed me what he had found, and after study-Castro refuses to allow the ashes to enter the country, it is thought that there will arise such a cry from the people that revolution will be easy and sure. If Castro allows the ashes to be brought in they will be placed on view

and the burial will be attended by inflammatory speeches against Castro. WATER TANK FALLS

Ducks Actors on the Stage.

Hartford, Conn., June 9 .-- The water tank on the roof of Parson's Theater, ontaining 5,000 gallons of water and weighing about twenty tons, fell to the ground, a distance of nearly 100 feet. A part of the roof was torn away in the fall and bricks and timber joined the tank in the descent. Although the Hunter, Bradford Company was rehearsing nobody was injured, but that escape for the actors was a narrow

Part of the automatic sprinkler syscause of the accident is a mystery, alhough various theories are advanced. Some say that there was a flash of lightning which preceded the crash, but the general belief is that the materials supporting the tank became
