Limit Your Spending And save the balance. That is a better way to get a start financi-

ally than to limit your saving and spend the balance. It is surprising how quickly you can create capital when you go about it in the proper way and with determination. With capital-reserve fund-you are ready for business opportunities which will surely come to you. Remember, it is

## Not Your Saving

Alone that will make you independent. Your money must be in a safe place and must work for you. Open a savings account in the Bank of Toronto and set aside a certain amount every week and you will be surprised at the rapidity with which your balance grows.
