## Gone Forever Are Dyspepstic Days of Old

The Simple, Safe, Sure Use of Stuart's Dyspepsia Tablets Will Bring Joy to Any Stomach Sufferer in an Easy, Comfortable, Dietless Way.

How many quiet, afraid-to-make-anoise, unhappy homes there are due to cross, irritable, miserable, close-that-kitchen-door kind of dyspepsia sufferers. Such men and women cannot help their peevishness for they suffer terribly and should not be censured.

A stomach that is irritated, raw, rebellious and not fit to do its work is cer-tainly the cause of constant dragging down and even excruciating agony. It is a feeling surpassed by no other ill-

ness known to man. No one should blame such a person for ill temper and silent moodiness. Ever and always is that dead, gone, sour tasting feeling at hand to curse every wak-

Dyspepsia, bad breath, gastritis, tarrh of the stomach, pains in bowels, nervousness, heartburn, belching, bloating, etc., come from wrongful conditions of digestive juices. There is nothing to correct these horrors until these juices are again replenished.

When the system exhausts its juices, when the liver, when the pancreas, the stomach become thereby unfit to furnish the proper digestive fluids, one cannot expeet this same system, without aid, to do anything else than keep on making their improper digestive products.

Such a condition means all manner of

suffering, and unquestionably fatal dan-ger-lurks in such delay. 'here is relief in Stuart's Dyspepsia Tablets that means a restoration to normal health, a building up of correct digestive juices and an absolute harmless ness in the method and its result.

Stuart's Dyspepsia Tablets contain qualities in just the right proportion to build up the weakened gastric juice. When the tablet reaches the stomach, it readjusts matters quickly, balances acids and alkalies and stops pain, suffering,

Other ingredients have just as import ant effects upon the intestines as well as the stomachs and thus in a remarkably short time stomach ills, indigestion, etc.
