People Walked. The fine, hard snow that fell early this morning played havoc with the schedule of the street railway lines in South London and a large number of the residents of that part of the city were compelled to walk to work. The Ridout line was affected more than the belt line, and two cars were stalled for a considerable length of time on Ridout street near the corner of Langarth.

### **Cold Settled** On Lungs. LEFT THEM IN VERY WEAK STATE.

A cold, however slight, should never be neglected, for if it is not treated in time it will, in all possibility, lead to bronchitis, pneumonia, asthma, or some other serious throat or lung trouble.

Obstinate coughs and colds yield to the grateful, soothing action of Dr. Wood's Norway Pine Syrup, containing as it does all the lung healing virtues of the Norway Pine tree.

Mr. G. G. Rhynard, Mill Village, N.S., writes:—"I have had occasion to use Dr. Wood's Norway Pine Syrup, and can say that it is certainly a good medicine. About a year ago I contracted a severe cold, which settled on my lungs, and left them in a very weak state. The cough racked me terribly, and I was in despair, until a friend advised Dr. Wood's Norway. Pine Syrup. I took five bottles, in all, and it cured me of my cough, and left my lungs strong and well."

Price, 25 and 50 cents. Be sure you get "Dr. Wood's" when you ask for it. See the three pine trees, the trade mark.
