GERMAN IMPERIAL GUARD, WITH CROWN PRINCE LEADING, ANNIHILATED BY BRITISH

Allies Successful on Both Wings and General Joffre's Plans Are Being Steadily Carried Out---Enemy Forced to Retire From Paris District.

(Canadian Press.) LONDON, Sept. 7 .- 10:17 p.m. - A Boul ogne dispatch to the Evening News says: "A telegram has been received from Gen. Pau announcing a victory by the allied forces under Field Marshal Sir John French, commanding the British, and Gen. D'Amade at Precy

Sur Oise, about 25 miles north of Paris. "The allies were drawn across the northern line with the centre at Precy. The English troops were on the left and the French on the right. The former had in front of them the Imperial Guard under Crown Prince Frederick William.

"On both wings, it is reported, the allies were successful. The German left was held by the French and retired to the north. "The Imperial Guard, who were ordered to surrender, were annihilated by the British. It

is reported that the Crown Prince was in their midst." The British official bureau, which has received no confirmation of this message, made

this announcement tonight: "Gen, Joffre's plans are being steadily carried out. The allied forces, acting on the offensive, have been successful in checking and forcing back in a northeast direction the German forces opposed to them.'
