

TWO

FLAMES CAUSE LOSS OF \$50,000

Fire Destroys Building Recently Occupied by International Creameries, Limited.

Blaze Gains Great Headway Before Firemen Reach Scene.

Damage estimated in the neighborhood of \$50,000 was done by a fire which gutted the building recently occupied by the International Creameries, Ltd., and formerly by the Dominion Abattoir, on the suburbs of London, just northeast of Pottersburg.

Although workmen who were in the vicinity turned in an alarm when the blaze was small, the building was a furnace of flame when the firemen arrived, with such rapidity did the fire gain headway. The nearest source of water supply was 2,400 feet away in Pottersburg. By the time the water had passed through this long line of hose, the pressure was low, seriously impeding the firemen in their fight. However, the department was able to save part of the building on the east side, but the main portion was a total loss, the roof having fallen and the walls collapsed early in the afternoon.

The alarm was turned in at 2:35 o'clock, and the blaze had been placed under control a few hours later. Firemen were left on duty at the ruins until hours later, for the fire smoldered well into the night.

The building was of brick construction, 3 stories high, situated on the St. Marys branch of the G. T. R. and well isolated. It is owned by A. E. Greer of London.

MEET TO DISCUSS UNIVERSITY PROBE

TORONTO, Oct. 25.—The parliamentary committee appointed by the Ontario Legislature for the purpose of investigating the organization of the University of Toronto and its relation to the General Hospital and other affiliated institutions, held its initial meeting today at the Parliament Buildings.

Following brief discussion upon the procedure which it would follow in its probe, it thereupon adjourned until Nov. 16, the purpose of the intervening recess being that the committee members might have an opportunity to digest various official reports and to acquaint themselves with the intricacies of higher education.

AGED LOVER APPEALS TO REGISTRAR FOR LICENSE

WINDSOR, Oct. 25.—Mark Hard Woodruff, 73, and Sarah McDonald, 71, both of Hastings, Mich., smitten with the love bug, came to Windsor on Monday, believing they could be married here.

The aged bridegroom-elect told City Clerk Dickinson it was a marriage of experience, and he was anxious to avoid publicity.

Informed that without first establishing a residence here, he could not be granted a license, Woodruff inquired if there was no alternative, and was told that the registrar-general could authorize the issue of the license in an emergency.

The couple thought it over, and today Woodruff wired the Toronto official, asking authority for the immediate issuance of the license. The desired permission came by telegraph and the couple was married by Rev. W. A. Earp, rector of All Saints' Episcopal Church, this afternoon.

SIGN COMMERCIAL PACT.
WARSAW, Oct. 25.—Poland and Jugoslavia signed a commercial treaty in Warsaw yesterday. The treaty is founded on the most favored nation clause.

The brighter the lightning the bluer it appears.

There is always room for Nectar

Imagine the disappointment we would cause if we forgot to put that can of Nectar Coffee in the basket. Dad would never enjoy his breakfast and the kiddies would certainly miss it, too.

Always have a good supply on hand—for the folks are bound to go back for more.

How Passengers Were Taken Off Burning Ship

SAN FRANCISCO, Oct. 25.—Passengers saved from the City of Honolulu, blazing in mid-Pacific, reach the steamship West Farallon and proceed to forsake the danger of their flimsy lifeboats for the safety of the big vessel.

RAPS FREEING OF CONFESSION KILLER

Chief Justice Hunter Denounces Action of Jury at Nelson, B. C.

Nelson, B. C., Oct. 26.—Strong criticism of the verdict of the jury which recently acquitted Charles Beguin, an Argente rancher, on the charge of murdering Henry Mark Denoreux, at the latter's place at Argente on Aug. 31 last, was made here yesterday by Chief Justice Hunter, in rejecting the application of Beguin to return to him the weapon with which he admitted, at the trial, slaying Denoreux.

"A self-confessed man was allowed to go free by a jury of his peers, and for the first time, so far as I know, a special kind of lynch law has been sanctioned in this country. It makes no difference in principle whether the victim is slain by one man who lurks in ambush or by a mob who openly attacked him," his lordship said. "I am now asked to add further discredit to the administration of the law by returning the weapon to the assassin. I reject the application."

MRS. YOUNG TO HEAD SOCIETIES

Continued From Page One.

ent of mission bands of the London Methodist Conference.

The only excuse for a church lacking a mission band, Mrs. Young declared, "was because there were no children in it. 'We are inclined to forget in this age,' she continued, 'that the fear of God is the beginning of wisdom. At a time when we give so much attention to social service, there is a danger of thinking that a clean face and clean clothes are all-important and the beginning of wisdom.'"

"Important as is the health of the child, we cannot afford to neglect the religious life, we cannot afford to overlook the fact that the supremely important safeguard is the fear of God in the heart and the armor of God."

Emphasis was laid on the value of hard work in making Christian Canadians of the little strangers within the gates, the children of newcomers to Canada.

Touching upon the subject of leadership in children's work, Mrs. Young declared that the chief requisites are love of children and love of God. She quoted Mary Foster Bryner, authority on children's work, to the effect that her success in leadership was due to the fact she was the eldest of nine children in a family.

Mrs. Barnard prefaced a comprehensive little journey through the study book for the year by voicing as her view that information and inspiration must go hand and hand, and that inspiration is impossible without information.

Stirred to Action.
"We were interested in the rumors of the fire in Northern Ontario," she said, "but it took the facts of the catastrophe to stir us to action."

Talking on "Christian Stewardship of Talents," Mrs. Dundas warned against the danger of loss of talents through allowing them to lie dormant. The greatest talent of all, she declared to be religious life, which can dwindle unless nourished and exercised.

The message of the conference W. M. S. president, Mrs. Gordon Wright, from the General Conference W. M. S. Board was reserved for the afternoon, when she took the place on the program of Miss Chase, missionary on furlough from Wahstas, Alberta, who was unable to be present.

Luncheon was served by the ladies of Robinson Memorial Methodist Church at 1 o'clock in the church.

After using her coffin as a dining table for nearly 50 years a French octogenarian was recently buried in it.

PHYSICIANS AND SURGEONS MEET

Prominent Members of Profession Address Gathering At Chatham.

Dr. E. R. Secord and Dr. T. C. Routledge Speak At Luncheon

Special to London Advertiser.

CHATHAM, Oct. 25.—Surgeons and physicians from the counties of Essex, Kent, Lambton, Elgin and Middlesex met in the city today and listened to several interesting lectures by Dr. George McNeil of London, Dr. Duncan Graham, Dr. Perry Goldsmith and Dr. F. W. Marlow of Toronto.

This evening, at 6:30 o'clock, a luncheon was held at the Gray-Dort Club on Centre street, and addresses were given by Dr. E. R. Secord, president of the Ontario Medical Association, and Dr. T. C. Routledge, secretary of the association.

The first home and school club was formed in the city yesterday afternoon, when some eight mothers attended a meeting at Queen Mary School, on Queen street.

Mrs. Coltart of the board of education, presided over the meeting and outlined the duties of the club, after which the election of officers was held, resulting as follows:

President, Mrs. E. C. Briscoe; secretary, Mrs. G. Good; treasurer, Mrs. Black; committee, Mrs. McGeorge, Mrs. Lauchlin, Mrs. Goodman, Mrs. Schlenker, Mrs. Green and Miss Boyle.

Mrs. T. L. Perkins of Kansas City, was the speaker of the afternoon, and gave a general outline of the work of mothers' clubs in the city.

J. A. McBride of London, a freight conductor on the C.P.R., had the misfortune to step on a rusty nail when he was in the C.P.R. yards in Windsor this morning. By the time that the train arrived in this city the wound became very painful. He was taken to the office of Dr. Rutherford, the company physician, where the wound was his home, and was later removed to his home in London.

The demand for farm drain tile in Kent county is getting well beyond the available supply, owing to the large number of farm-drainage improvements that are taking place on Kent county farms this year, stated V. C. Lowell, drainage expert of the Ontario department of agriculture, in an interview today. Mr. Lowell further stated that, owing to the high cost of labor and fuel, the tile farmers have not carried as large a stock as usual, with the result that the farmers "have had to put the brakes on improvements." It is expected, however, that conditions will be improved within a short time.

When members of the Rotary Club held their weekly meeting today, they were greeted by grinning grimaces and halloween decorations. In anticipation of the annual evening of pranks.

Several rotarians were required to give accounts of tricks they had played "when the kids were kids," prize, a grinning pumpkin, being presented to Colonel S. D. Smith, a city crown attorney.

PARLIAMENT TO MEET NOV. 20

Continued From Page One.

the new parliament any one party could have to elect 315 candidates. It will be seen, therefore, that the Conservatives and Laborites are the only two with enough candidates in the field to obtain an independent majority. Their organizations have been whipped into far better shape than those of the other parties.

Has Two Opponents.
One of the main centers of interest in the whole election is Glasgow, where the new prime minister, Andrew Bonar Law, has two opponents. In his campaign for re-election as the member from the central division of that city. Former Baillie Mitchell is his opponent on the Labor ticket and Sir George Paish is opposing him as a Free Liberal.

Labor is making a very strong campaign among the large population of Glasgow. At present only one of the fifteen constituencies in that city is represented by a Labor member, but the party has for a long time conducted earnest propaganda in the big industrial communities, and it seems likely to fulfill its hope of gaining a larger representation.

One of the candidates in Glasgow is the Communist, John MacLean, whose term of twelve months in prison for sedition expired yesterday. Treated as a political prisoner, MacLean devoted a great part of his time behind the bars to the study of political matters. Coming at this time, his new freedom brings to mind the fact that he was released from confinement while undergoing a similar punishment in 1918, in order that he could participate in the elections of that year.

Reports that Premier Bonar Law in his expected reform of administrative departments might relegate the works of the ministry of labor to some other department have strongly aroused the leaders of the labor party, who will vigorously oppose any such change. The labor ministry, founded in a small way in 1916, has grown to be a big department, with an annual expenditure of almost £5,000,000 for salaries and allowances alone.

It has been estimated that on a mature maple tree of vigorous growth there is one-half acre of leaf surface exposed to the sun.

Rescue Two Wallaceburg Men From Sinking Tug In St. Clair River.

Special to London Advertiser.
SARNIA, Oct. 25.—Two men, whose names could not be learned, were rescued late Tuesday in the St. Clair River flats district, below Algonac, by the crew of the steamer Wilpen, when a small tug, which hailed from Wallaceburg and manned by the two men, who also reside at that town, sank.

Signals of distress from the tug were seen by the crew of the Wilpen, which was up-bound, and the two men were taken off a few minutes before the small tug went to the bottom.

The tug, which was used in the fishing business, sprung a leak and was going down fast when the rescue was effected. The men were put ashore at Marine City and went to their homes at Wallaceburg without giving their names. A report of the rescue was made at Marine City by the captain of the steamer Wilpen. It is believed that the tug will be a marine navigation, but an investigation will be made by American officials to determine the location of the wreck.

This evening, at 6:30 o'clock, a luncheon was held at the Gray-Dort Club on Centre street, and addresses were given by Dr. E. R. Secord, president of the Ontario Medical Association, and Dr. T. C. Routledge, secretary of the association.

REDS CAPTURE VLADIVOSTOK

Japs Turn Over Military Stores To Troops From Siberia.

Allied Warships Guard Foreigners Until Final Session Is Attained.

Special to London Advertiser.

Tokio, Oct. 26.—Troops of the Red army captured the Far Eastern Republic of Siberia in complete possession of Vladivostok today. The last of the Japanese soldiers evacuated the city yesterday after handing over to the invading Reds an inventory of the arms left behind and the keys of the warehouses containing them. Only a Japanese flag remained to mark the complete transfer of military stores.

Japanese troops, who had been embarking since Tuesday, left the Siberian port en masse, making a stately procession.

British, French, Japanese and United States warships remain in the Vladivostok harbor to protect foreigners until the Chita forces have taken over the administration and assumed responsibility for maintaining order.

Japanese soldiers remaining on Russian soil are those on the northern part of Sakhalin Island, but the Japanese public is demanding their return also, as it is feared that restoration of trade with Siberia will be impossible unless this is accomplished.

SWEARS FASCISTI WILL RULE ITALY

Mussolini Orders Military Sections To Prepare for War.

Special to London Advertiser.

Rome, Oct. 26.—Benito Mussolini, head of the Fascist movement, called today the military leaders of that organization, and simultaneously has ordered all the military sections of the Fascist party to prepare for war.

The only notable event was the signing of the oath of the Fascist party, which was the farewell statement made by Professor Benito Mussolini, leader of the Fascist, prior to leaving Naples at the end of the party's congress held here.

The gathering of the Fascist passed off without any grave incident. The only notable event was the signing of the oath of the Fascist party, which was the farewell statement made by Professor Benito Mussolini, leader of the Fascist, prior to leaving Naples at the end of the party's congress held here.

Michaelis Bianchi, secretary of the Fascist, declared before the close of the congress that the Fascist party had 500,000 members, all of whom were determined to bring about the regeneration of Italy.

BLUENOSE WINS SCHOONER RACE

Continued From Page One.

and headed up the bay hand on the starboard tack. Bluenose had a lead of 1 minute and 8 seconds at the first mark. The crew of the Blue Nose and her skipper, Angus Walters, flushed with their success yesterday in the smashing 40 mile scrap with the Henry Ford, in the last mile of the first leg.

The Henry Ford of Gloucester, N. S., was the victor in the second leg of the race, which was a 40 mile scrap with the Henry Ford, in the last mile of the first leg.

The crew of the Blue Nose and her skipper, Angus Walters, flushed with their success yesterday in the smashing 40 mile scrap with the Henry Ford, in the last mile of the first leg.

ALLEGED SPEEDER SEES 42 MILES TOO FAST FOR ANYONE

PAY FINE FOR 22-MILE RATE.

"YOUR worship, anyone who would go 42 miles an hour, ought to be put in jail!" exclaimed a young London motorist, when a constable testified that he had been traveling at that rate on the Pipe Line road in view of it," remarked the court.

The defendant did not think that a jail term should be imposed in his case, as he denied he was going so fast.

"How fast were you going?" asked the magistrate.

"Oh, about 19, 20 or 22," replied the motorist.

"Well, if you were going 22 you were exceeding the limit," he was told.

The young man did not object to being charged with having his speedometer register 22, but did object to being accused of going 20 miles an hour faster.

Then he proceeded to tell of the constable using profane language in front of some young ladies, who were in the car. "The officer was very excited, your worship. He was trembling all over."

Magistrate Graydon remarked that probably the excessive speed was the cause for the excitement. Finally, he told the defendant that if he talked too much, his remarks might cost him something.

"Well, I'll quit right now," he concluded.

When the storm of laughter subsided a fine of \$5 was imposed.

This motorist also was fined \$5 for turning the corner of Dundas and Adelaide street at a greater rate of speed than ten miles an hour.

An officer stated he went round the corner at about 20 miles an hour.

"Wily, I'd tip over," protested the driver.

The officer stated the car made the turn on two wheels. His evidence was corroborated by a street railway man.

The defendant submitted all four wheels were on the ground, but as he did not enter the witness box, the fine was imposed.

News From City Churches

MEN'S CLUBS AT ST. DAVID'S ENTERTAIN.
The women of the congregation were the guests of the Men's Clubs, of St. David's Church, at a pleasant social affair, Wednesday night. Progressive euchre formed the evening's program, and at the close there were two enjoyable instrumental numbers by Messrs. Ward and Welsh. J. Deacon headed the committee in charge of all arrangements. About 65 were present.

CENTENNIAL CHOIR CONCERT AT GLADSTONE CHURCH.
Centennial Methodist Church choir responded Wednesday night for the second time to the invitation of the Gladstone Presbyterian Church to put on a concert there.

Those who heard the first concert, and those who were disappointed in being absent turned out in goodly numbers for the second concert, all evincing much enthusiasm in their reception of the program.

Following the concert the members of the choir were entertained at a chicken dinner, and Rev. Mr. Taylor of Gladstone, in a most hearty manner, voiced the appreciation of his congregation.

Capt. Fletcher expressed the thanks of the choir for the welcome shown them, and Earl Scott moved the vote of thanks to those who volunteered motors for the occasion.

The choir, who are under the leadership of Bert Weir, gave in splendid style three unaccompanied numbers. Solos were rendered by A. E. Tudor, Mrs. Dison, Bill Taylor, and a cornet solo by Harold Bentley, and two delightful readings by Edna Lancaster.

The male quartet of the choir gave two numbers, and the numbers given by the ladies' quartet were also standing out features of the occasion. Dressed in costumes, they rendered the Kitchen Orchestra and the Story Book Ball, in the latter appearing to represent Mother Goose Rhymes.

MEN'S CLUB ORGANIZED AT CHELSEA GREEN CHURCH.
At an enthusiastic meeting of the men of Chelsea Green Church, Wednesday, a Men's Club was formed, and the decision reached to enter a team in the city Fraternal Carpenters' League.

The new club has as its objective the building up and strengthening in every possible way of the church and awakening the minds of the men of the community to the possibilities of work in association with church life.

With J. Lindsay as chairman pro tem, the following officers were elected: President, John Smith; vice-president, Alex Spiers; captain of carpenter team, Matthew Brahs; representative of team, Harry Hunt; secretary-treasurer, A. E. Bailey.

An executive committee will be appointed at the next meeting. The club will be known as the Chelsea Green Presbyterian Church Men's Club.

APPOINTED TO WARWICK PARISH.
Rev. L. D. Hagger of Cargill was appointed by the Bishop of Huron to the parish of Warwick and Wabach.

Mr. Hagger will be remembered in the city, as in his student days he was in charge of the Church of the Epiphany at Manor Park.

Praise Sportsmanship of Bluenose Skipper Over Trials of Contest

New York, Oct. 26.—(By the Canadian Press).—A staff correspondent of the Tribune, in a dispatch from Gloucester, pays tribute to the sportsmanship shown by the Bluenose owners and her skipper and crew.

"In the chatter of controversy which deafened Gloucester during the first day or so," he says, "there arose an occasional tendency on the part of the more rabid partisans to impute motives to the Canadian sailors and their representatives. Some unwise remarks have been made, and some of them have found their way into the Ford's lean skipper."

"The record on this matter is clear. Angus Walters has given ground on every issue. The races have three times been postponed at the start to accommodate the Ford, and technicalities which might have been claimed in the Lunenburg's favor have been waived. The responsible Gloucester citizens are unanimous in their praise of the Nova Scotian attitude throughout, and nobody is louder in praise of the Bluenose and her crew than Clayton Morrissey, of them have found their way into the Ford's lean skipper."

DYED A SWEATER AND SKIRT WITH "DIAMOND DYES"

Every "Diamond Dyes" package tells how to dye or tint any worn, faded garment or drapery in a new rich color that will not streak, spot, fade or run. Perfect home dyeing is guaranteed with Diamond Dyes, even if you have never dyed before. Just tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton or mixed goods. For fifty-one years millions of women have been using "Diamond Dyes" to add years of wear to their old, shabby waists, skirts, dresses, coats, sweaters, stockings, draperies, hangings, everything—Adv.
