Vancouver Again Loses to Westminster at Lacrosse—The "Stars" Signal Victory.

Cricketing Events of a Day—The Lawn Tennis Tournament.

WESTMINSTER, July 28.—(Special)—Westminster and Vancouver played the seventh match in the championship series to-day in petting rain and with the grass so slippery that the players were tumbling about like acrobats throughout the play.

There was an interesting struggle nevertheless, and a large crowd, considering the weather, witnessed Westminster win, four to two, but owing to the various unfavorable conditions, it was anybody's game up to the last game but one.
