Goldsmith Maid attracted no little attention at the recent National horse show. The old mare is now 26 years old, and has had three foals. She still retains some of her old-time vim, and the fire in her eye is not yet dimmed.

The quarters were done by the celebrated trotting horse Frank with running mate, in his 20th year, in 2:23, 2:31, 2:33 and 2:35, respectively. He only beat Winship in the heat by half a length, and that after the latter had made a bad break.
