## "Here's Your Party!"

You don't want to have anything to do with the other thousands of telephone subscribers when you're calling some particular number. They don't figure in your communication at all. And when you're looking for a better position, there is no use getting in touch with dozens of employers who are not in a position to hire you. There's just one man—your future boss—that you want to reach. You can get connected with HIM through The London Free Press' Situations Wanted

By a process of elimination your little ad., telling about yourself and your training will be considered only by the employers who are looking for your sort of worker. You don't know who they are now—who the one man you are going to work for is—but your Free Press ad will find out for you. Stop at The Free Press office and talk things over with an ad. taker.
