

For Thin, Poor Blood

You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the strongest Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility.

But even this great old medicine cannot do its best work if the liver is inactive and the bowels constipated. For the best possible results, you should take the laxative dose of Ayer's Sarsaparilla before the Sarsaparilla. The liver will quickly respond, and so will the bowels.

TWO SISTERS KILLED BY TRAIN.

Worcester, Mass., April 10.—In avoiding a freight train on the Boston and Albany division of the N. Y. C. Railroad, not far from the Gardner St. crossing at 6.30 o'clock tonight two sisters, Blanche and Mary Derosier, daughters of Edward Derosier, stepped in front of an eastbound passenger train and were instantly killed. The girls were returning from their work in a department store and walking along the track and had almost reached their home. The engineer of the express did not see the girls as they were hidden by the smoke and steam of the freight engine. Both were hurled forty feet and when the bodies were picked up it was found that each had sustained a broken neck.

Among Our Neighbors

CLEANSTOWN

Mrs. Moody and her daughter, Ethel, have returned to Annapolisport to spend the summer months. They are at present residing with Mrs. Dean Shaw. They spent the winter at Annapolis.

A. D. Hoop went to Annapolis on business a few days ago. There has been quite a change in property in the village lately. James Smith has sold his property to a Mr. Brown from Kingston and purchased the J. H. Dumas property lately owned by A. D. Hoop. Also Mr. Brown has sold his property known as the Tinsman place to Mr. Smith, also of Kingston.

Mr. and Mrs. Hatfield have got back to their home for the summer. Mrs. Hatfield spent the winter at River Forest with her parents. Mr. Hatfield and Emma E. Foster have joined this spring with wood and pine at this port for Boston and we learn there are two other vessels to be here in a few days to take cargoes of the same material, one the Oleria, the other, a three masted schooner from Annapolis. Herbert Hicks loads them. It has been a good many years since there has been such a quantity of wood and pine at this port for shipment as at present. I suppose it is largely owing to the winter which has given such good opportunities for sledging, also the excellent business qualities of our merchants.

We were sorry to learn that the sloop, Mercedes, had a very rough passage to Boston losing a large part of her deck load, but owing to the skillful management of Captain Henshaw and his able crew no serious damage was done to the vessel.

The District Sunday School Convention will be held here in the Methodist Church on the afternoon and evening of Monday, the 29th inst. All Sunday School workers and others interested are cordially invited to attend. We hope to have a profitable session.

Quite a number of our Clementsport folk visited Annapolis on Thursday last week.

We are sorry to have to chronicle two quite sad mishaps that occurred here a few weeks ago. One in connection with Capt. Atwood, who had the misfortune to have his hip dislocated; the other, the poisoning of Capt. Alonso, Merritt by eating canned salmon. Both persons are yet suffering from the effects of these but we hope for their restoration to health in the near future.

Quite an unusual thing for this time of year occurred here one day this month. Edward Berry, of Guichen, hauled in town a cord of green wood with his oxen on snow.

We are very sorry to learn that Mrs. Arthur Parker is quite ill at the time of this writing.

DALHOUSIE WEST

Winter is staying late with us and a few of our lumbermen are still logging. William Ramsey's saw mill has arrived at Harris' Bridge, where there is a fine cut of logs.

There has been considerable illness here this season, but most of the invalids are on the road to health again.

J. B. Whitman was in this place on business a few days last week. Counsellor Grimm, of Springfield, passed through our village and was the guest of George Hannam.

H. Cosby, of Round Hill, made a flying trip to this place and was the guest of George Hannam.

Harry Mack is visiting friends here. Charles Todd is visiting his sister in Albany. Mrs. John Merry. We are sorry to hear that Mr. Merry is quite ill.

William Cumming's grocery service is very acceptable, especially so while the roads are bad. We wish him success.

Robert Cummings and Percy Morse of Bloomington were visiting friends here over Sunday.

SOUTH WILLIAMSTON

Our community was saddened on Saturday, the 13th inst., to learn that Helen, child of Mr. and Mrs. Howard Bezonson, had passed away after a short illness, at the early age of ten years. Little Helen was a bright, promising child and a general favorite with her school companions and playmates, who mourn her early demise. The funeral service was held on Monday, the 15th. The Sunday School of which she was a member headed the procession to the public hall, where the Rev. M. W. Brown delivered a very feeling and impressive sermon to a large congregation. The interment was in the Lawrencetown cemetery. The family have the sincere sympathy of the community in their sad bereavement.

SMITH'S COVE

Mrs. Porter wife of Rev. R. D. Porter died at her home here on Friday evening last, the 12th inst. She was 62 years old and had suffered a long time from heart disease. Besides a husband, she is survived by two daughters, Mrs. George L. Dickson, of St. Lawrence, and Miss Maud Porter, who teaches school at Wolfville. Both daughters were at their mother's bedside when she passed away. The funeral took place on Sunday, the sermon being preached by Rev. Mr. Carter, who paid a tribute to the many good qualities of the deceased. He spoke feelingly of her sufferings, and the great fortitude with which she bore them, and urged upon his hearers the necessity of emulating the example she had set by her christian life.

The spring to date has been a bit backward, but everybody is looking forward to a prosperous summer. The past winter was favorable for lumbermen, and business in their line is going to be brisk.

The fishermen are busy preparing their wares for the season's catch. There was a very good run of mackerel last summer, and hopes are expressed that there may be equally favorable conditions this year.

Mr. and Mrs. Lakeman have gone to LaBee, Maine, to take up their residence. They were accompanied by Mrs. Lakeman's sister, Miss Blanche Rice, who will locate in LaBee.

Mrs. Cummings has gone to Shang Harbor to see her son, who is ill with heart disease.

Mrs. Darcy has returned from a visit to St. John.

PORT WADE

A timely hint was given by the "Monitor" in its last issue in re the hoodlum element which is growing up in the town as a menace to welfare of town and community. We have, we're sorry to state, the same element here, where with other depredations they are even carrying off small buildings, and placing them by the roadside and painting glaring signs upon them. If immediate steps are not taken to check these actions, their times may be spent within the walls of a penitentiary in the near future.

Captain Abram Holmes went to St. John Monday on S. S. Granville.

Mrs. Thomas Burke is very low at this writing and her demise is hourly looked for.

John S. Hayden, Victoria Beach, had his house badly scorched last week, a good part of his furniture being destroyed. The loss was covered by insurance.

Five young ladies of this place, Carrie McGrath, Lizzie Burke, Frances Burke, Aedia Covert and Winnie Litch, went over to Digby Saturday in Capt. W. McGrath's new vessel, making the round trip very rapidly.

Wissell Covert went to Boston Saturday for the summer.

J. W. Snow and daughter, Minnie, left for Springfield, Mass., on Monday last.

Captain Joseph Saboun has bought the schooner Dolphin and he and his father, William Saboun, came over on S. S. Granville Wednesday to repair her, preparatory to the carriage of lumber on the Bay.

A WOMAN TELLS HOW TO RELIEVE RHEUMATIC PAINS.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—MRS. SARAH A. COLE, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is almost worth many times its cost. It makes rest and sleep possible. For sale by W. A. Warren, Pharm. B.

WHOOPIING COUGH.

I have used Chamberlain's Cough Remedy in my family in cases of whooping cough, and want to tell you that it is the best medicine I have ever used.—W. P. GASTON, Pecos, Ga. This remedy is safe and sure. For sale by W. A. Warren, Pharm. B.

Mr. and Mrs. W. M. Darling are receiving congratulations—a son.

Rev. E. H. Howe is holding special services at Dalhousie and in the camps of the Davison Lumber Co.

Mrs. Southgate and family arrived from their home in England on Monday night. Mr. Southgate, who has been in the employ of the D. L. Co., for the past two years, intends having his family settle in Nova Scotia.

Miss Dona Mailman arrived from Boston on Saturday night, having been called home by the serious illness of her mother, Mrs. Aaron Mailman.

Court Forest Flower I. O. F. gave an open entertainment on Saturday evening. A large number were present and an enjoyable evening was spent. The program consisted of choruses, solos, readings, a pantomime, showing the benefit of "Forestry," concluding with a large entertainment. "A considerable courtship."

NORTH WILLIAMSTON

We are sorry to report that Mrs. William Bent's baby is dangerously ill. Dr. Bruce is in attendance.

Mrs. Frank Irvine left for her home in Woburn, Mass., on Saturday last.

Mrs. Elias Early arrived home from Mass. last Wednesday.

Mr. and Mrs. Zebulon Darling of Ingleville, spent last Sunday with Mr. and Mrs. Oliver DeLaney.

We extend our deep sympathy to Mr. and Mrs. Howard Bezonson, of South Williamston, in their sad affliction which they have to sustain in the death of their little daughter, Helen.

We are pleased to report that Mrs. William Bent is improving.

Charles Hiltz returned home from Crossburn last week.

Mrs. Frank Irvine of Woburn, Mass., is visiting friends here.

On the 4th inst. a very interesting event took place at Brickton, when Mrs. Hannah Sanford, of Burlington, Hants Co., was united in marriage to George W. Greene, of Brickton. Rev. W. Brown, of Lawrenceville, performed the ceremony. After the ceremony and congratulations, a bountiful and sumptuous collation was served to which the guests did ample justice. We join in wishing Mr. and Mrs. Greene a long and prosperous married life.

BELLEISLE

Miss Maudie Coleman, who has been spending a few weeks with relatives at Lawrence, Mass., has returned home.

Mrs. Blanche Greener, who has been spending the winter at Yarmouth, is at home again.

Mrs. (Rev.) H. W. Cunningham, of Halifax, attended service at St. Mary's Church on Sunday last.

We are indeed sorry to hear that our esteemed resident, Gilbert A. Ray, who has been confined to his room all winter, an awful sufferer from acute rheumatism, has become entirely helpless. The sympathy of the entire community is indeed tendered him in his sad affliction.

Some of our neighbors have lately been taking new places of abode. Howard Young of Dr. Barnaby's farm has moved to Granville Centre, and Rupert D. Gesner has moved from Willett's Corner to Upper Granville.

The many friends in this locality of Mrs. Watson Bent, of Young's Cove, are pained indeed to learn of the trial and visitation with which Providence has seen fit afflict her.

It has been many years since we have had a spring so cold and backward as the present.
