

## BUSINESS NOTICES.

---

We call attention to the generous notices we have received from the Press; we could print many more than these if our space permitted. We trust the editors and proprietors of our numerous exchanges will continue to sustain and encourage our effort to supply a sound, high-toned, home literature.

It ought to be borne in mind that our Magazine is composed of *original* material and not *re-prints*, and that we are desirous, so far as practicable, to give the preference to home papers, original composition—though not necessarily home subjects—incidents and locations.

To CORRESPONDENTS.—All manuscript should be addressed to the Editor. All contributions are carefully read and considered, and unaccepted MSS. are returned, if return postage is sent.

The Editor will not be held responsible for any accidental loss.

We want, and will employ, good canvassers for the Magazine, and will pay a liberal commission. Send (enclosing postage stamp) for our agents circular.

Letters on general business must be carefully addressed—

Office :—12 MELINDA ST.,

 Persons changing their residence will be careful to notify us as to their new address, and thus prevent disappointments in receiving their Magazine.
