A CHEAP MODEL POULTRY HOUSE.

The correct principles upon which a chicken house should be built are given in a little pamphlet showing five illustrations, with full plans, specifications and cost; with much other information of value to poultry raisers, entitled "How to Build a Poultry House Upon the Poultry Herald Model Chicken House Plan"

By E. A. Webb, editor Northwest Farmer, St. Paul. Price, 25 Cents, or sent free to every new subscriber to *The Poultry Herald*. This Model Chicken House was awarded a diploma by the Minn. State Agr. Society, and it is endorsed by all leading fanciers in the Northwest.

The Poultry Herald is the largest journal of its class in the west, issued monthly and devoted exclusively to higher poultry culture. Only competent writers are engaged to contribute to it. Price 50c a Year; 6 mos. 30 cents. New subscribers will receive the "Model Chicken House Plans" free. Send all orders and money to **POULTRY HERALD, St. Paul, Minn.** Sample copy 4c in stamps. x 4
