Never before has such an enormous demand been created for a book upon "**Farming for Profit.**" This is perhaps the first book of the kind ever written by a man while actually engaged in the work which has been such a **continued success**—hence the advice is **practical** and **doubly valuable**. The book is written in a **plain, practical** and **easy-to-be-understood** manner, and with **up-to-date ideas** in everything pertaining to **successful farming**. Farmers cannot afford to be without it.

The latest methods of Profitable Farming. How to renew worn-out land. How to clean the land of weeds. Advantages of shallow cultivation. What to sow and how to sow it. Feeding for profit. What to feed and how to feed, etc., etc.
