#### OUR REPORTERS' FOLIO.

THE INAUGURAL MEETING of the session was held in the David Morrice Hall on Wednesday, the 7th inst. There was a large assembly of citizens. The lecture was delivered by the Rev. W. T. Herridge, B.A., B.D., a distinguished graduate of this College and now pastor of St. Andrew's Church, Ottawa. The subject was "Christianity and Culture." The lecture is given in full in our columns. The Principal announced fifteen new students.

On the following Monday, a meeting was held in one of the lecture rooms, when the students were addressed by the Principal, Professors Campbell, Scrimger, and Coussirat, on matters relating to the work of the session.

THE ALMA MATER SOCIETY held its regular meeting on the afternoon of Wednesday, the 7th inst. The attendance of graduates was small. It was deemed expedient under existing circumstances to discontinue the Alumni Scholarship, for the present session at least. The College Journal, which hitherto has been under the direction of this Society, was handed over to the Students' Philosophical and Literary Society. The question of a college ribbon, having been brought forward by a committee of students, was heartily approved of.

THE PHILOSOPHICAL AND LITERARY SOCIETY met on the evening of Friday, the 16th inst. An interesting programme, consisting of a debate and music, had been prepared by the committee, but, owing to the pressure of new business, this was postponed until the next meeting. The question of starting anew the College Journal was taken up and called forth an animated discussion. Through the stirring speeches made by some members of the society, and generous offers of service by others, the motion, to use words heard not very long ago in the General Assembly of our Church, was carried 'upon a high wind of enthusiasm.'

THE STUDENTS' MISSIONARY SOCIETY met on Friday, the 23rd inst. This was its regular annual meeting. After the election of officers for the current year, reports of work done during the summer were read by some of the Society's Missionaries, viz., Mr. C. W. Whyte, of Ponsonby, Que., Mr. W. Russell, Sturgeon Falls, Ont., and Mr. D. Cameron, Headington, Manitoba. These reports showed faithful work on the part of the Missionaries, and we trust by our Society's report this session to be able to commend its work to the sympathy of the Christian public.
