FEELS YOUNG AGAIN.—"My mother was afflicted a long time with Neuralgia and a dull, heavy inactive condition of the whole system; headache, nervous prostration, and was almost helpless. No physicians or medicines did her any good. Three months ago she began to use Hop Bitters, with such good effect that she seems and feels young again, although over 70 years old. We think there is no other medicine fit to use in the family."—A lady in Providence, R.I.

NICKELITE

Silver Spoons & Forks.

At present various means are adopted to induce dealers to handle cheap, showy Spoons under fancy names. Some are made of Steel or Iron, others of cheap German Silver, but all are ELECTRO-PLATED WITH NICKEL SILVER, which will soon wear off—on the contrary, NICKELITE SILVER is a pure metal throughout, can readily be kept clean, and will wear without limit. Ask for NICKELITE SILVER, stamped R. W. & Co., if you want to get good value. To be had of all dealers.

ABOUT BUYING.

Buy only what you require and when you require it, is perhaps the safest rule that can be adopted in buying for private use.

But this rule will not always hold good with the merchant, and this is one of the years when to look ahead is both safe and profitable.

All kinds of goods have been steadily advancing, and the man who bought early is the only one who can sell at old prices.

Seeing the upward tendencies of Wool Goods, I ordered my stock early, and will now give my customers the privilege of buying for the present at old prices.

BALDNESS.

Neither gasoline, vasoline, Carboline, or Allen's, Ayer's, or Hall's hair restorers have produced luxuriant hair on bald heads. That great discovery is due to Mr. Wintercorbyn, 144 King St. West, Toronto, as can be testified by hundreds of living witnesses in this city and the Province. He challenges all the so-called restorers to produce a like result.

The Restorative is put up in bottles at \$1 per bottle, or six for \$5. For further information, address CHARLES MAITLAND WINTERCORBYN, 144 King Street West, Toronto.

PRESBYTERIAN YEAR BOOK

FOR 1880.

Edited by Rev. James Cameron.

NOW READY,

The PRESBYTERIAN YEAR BOOK FOR 1880, containing full information about the Presbyterian Church in Canada, and a large amount of varied intelligence with regard to the present condition of the Presbyterian Churches of the United States, Great Britain and the Continent of Europe.

This publication was begun in 1875, and year by year has received favourable notices from our own press in Canada and the press of the United States, and also special favour and praise from the Assembly Clerks of various Presbyterian Churches.

The information contained in the issue for 1880, will be found unusually complete; and there are several illustrations of prominent church edifices.

OPINIONS OF MINISTERS, ASSEMBLY CLERKS, AND EDITORS.

"It contains complete information on almost every subject relating to the Presbyterian Church in the Dominion, and will prove of great value to the members of that denomination."—Montreal Witness.

"... This collection of varied and interesting information must secure for the work a cordial reception by all who take an interest in the position and prospects of the Presbyterian Church. It is printed, we may observe, in a neat, clear type, and its execution reflects credit both on the editor and the well-known firm by which it has been issued."—Paris Transcript.

"This is a 'handy-book' for Presbyterians, giving them a perfect plethora of information concerning their Church, in all its branches throughout the world. It is edited by the Rev. James Cameron of Chatsworth, who has thus done a great service to the Church of which he is an ornament and has rendered it inexcusable in any Presbyterian hereafter to be ignorant of the progress and position of his denomination."—Palmerston Progress.

"I need not say that I highly approve of your spirit and enterprise in compiling 'The Year Book of the Dominion.' You have rendered a great service to your churches, by whom your work should be extensively patronized, and your labour and editorial skill amply compensated. It is an admirable publication, and should be found in every Presbyterian habitation throughout 'the Dominion.'"—EDWIN F. HATFIELD, Clerk of Presbyterian Church, U.S.A.

"We seldom find, in so modest and unpretentious form, so much and so various ecclesiastical information. After a very exhaustive, yet concise, account of the Church, in her various branches in British North America, there is an account of the many families of our tribe 'scattered abroad,' acquainting us with even distant Australia. The relation subsisting between our Canadian brethren and us is, ought to be, and must continue to be, of the very closest nature. It were well if our people, and particularly our ministers, availed themselves of the assistance this little work affords, as a convenient 'thesaurus' of valuable information."—Philadelphia Presbyterian.

Mr. Croil, of the "Presbyterian Record," says of the "Year Book:" "It is one of the best thumbed periodicals in our office. Every Presbyterian should have it."

The "N. Y. Independent," a disinterested authority remarks: "It is one of the best ecclesiastical annuals published in THE WORLD. It not only gives complete denominational statistics for its own country, but for the Presbyterians in all parts of the world—the only Presbyterian Year Book that we know of that covers so much ground. . . . There are also general statistics of great value."

Price 25 cents per copy. Post Free on receipt of price.
