The Century Magazine

IN 1900

Novelty in Literary and Art Features. Printing in Color. The Best Illustrations, with Cole's Engravings and Castaigne's Drawings. A New and Superbly Illustrated Life of Cromwell, by the Right Hon. John Morley, M.P.

The conductors of THE CENTURY take especial pleasure in announcing this as the leading historical serial of the magazine in 1900. No man is more competent than John Morley, who was selected by Mr. Gladstone's family to write the biography of Gladstone, to treat Cromwell in the spirit of the end of the nineteenth century.

THE ILLUSTRATIONS

will be remarkable. Besides original drawings, there will be valuable unpublished portraits lent by Her Majesty the Queen, and by the owners of the greatest Cromwell collections. Other features include

ERNEST SETON-THOMPSON'S

"Biography of a Grizzly," delightfully illustrated by the artist-author—the longest and most important literary work of the author of "Wild Animals I have known."

PARIS, ILLUSTRATED BY CASTAIGNE

A series of papers for the Exposition year, by Richard Whiteing, author of "No. 5 John Street," splendidly illustrated with more than sixty pictures by the famous artist Castaigne, including views of the Paris Exposition.

LONDON, ILLUSTRATED BY PHIL. MAY.

A series of papers on the East End of London by Sir Walter Besant, with pictures by Phil. May and Joseph Pennell.

SAILING ALONE AROUND THE WORLD.

The record of a voyage of 46,000 miles undertaken single-handed and alone in a 40-foot boat. A most delightful biography of the sea.

THE AUTHOR OF "HUGH WYNNE."

Dr. S. Weir Mitchell, will furnish a short serial of remarkable psychological interest, "The Autobiography of a Quack," and there will be short stories by all the leading writers.

A CHAPTER FROM MARK TWAIN'S ABANDONED AUTOBIOGRAPHY.

LITERARY RÉMINISCENCES

Familiar accounts of Tennyson, Browning, Lowell, Emerson, Bryant, Whittier and Holmes.

IMPORTANT PAPERS.

By Governor Theodore Roosevelt, President Eliot of Harvard University, Thomas Bailey Aldrich, Woodrow Wilson, John Burroughs, and others.

AMERICAN SECRET HISTORY.

A series of papers of commanding interest.

THE ART WORK OF THE CENTURY.

It is everywhere conceded that THE CENTURY has led the world in art. Timothy Cole's unique and beautiful wood blocks will continue to be a feature, with the work of many other engravers who have made the American school famous. The fine half-tone plates—re-engraved by wood-engravers—for which the magazine is distinguished, will appear with new methods of printing and illustrating.

Begin new subscriptions with November. Price \$4.00 a year. Subscribe through dealers or remit to the publishers.
