Bar iron has advanced to a \$2.65 basis in Ontario.

Toronto jobbers have put barbed wire down 10c per 100 pounds.

Cleveland dealers have reduced galvanized wire 5c per 100 pounds.

Galvanized eave troughs and conductors are about five per cent cheaper in United States markets owing to changes in the iron market.

A quieter feeling prevails in the United States metal markets. Buyers are deferring further purchases until after the first of the new year and there is a feeling abroad that values will shortly settle down a little.

Negotiations are under way for the erection of a large iron and steel plant at Toronto, to operate on raw material obtained from Sidney, C. B. in the form of billets. The intention is to use the canal for carrying. The company want fifteen acres of land from the city and will guarantee a wage bill of \$50,000 a year.

In connection with the official statistics of pig iron production in Canada for the first six months on the raw material obtained from Sidney, C. B. in the form of billets. The intention is to use the canal for carrying. The company want fifteen acres of land from the city and will guarantee a wage bill of \$50,000 a year. There are large stocks of iron and steel and especially the latter, upon which has been pending decision of the dispute between the producers and the auditor-general.

Thrashing is now completed in the Hartney district, and an immense amount of wheat is being delivered at the elevators. Already this season there has been 150 carloads of wheat shipped from that point.
