THE MONTREAL BRANCH OF THE ENTOMOLOGICAL SOCIETY OF ONTARIO.

The following Resolution was unanimously passed at a meeting of the Montreal Branch and copies have been forwarded by the Secretary to the relatives of the late Henry H. Lyman.

Resolved:—"That the members of the Montreal Branch of the Entomological Society of Ontario have learned with great sorrow, that when the 'S. S. Empress of Ireland' sank on the 29th day of May, she had on board one of our oldest and most active members, Mr. Henry Herbert Lyman, accompanied by Mrs. Lyman, and that both are amongst those who are lost.

From the time that Mr. Lyman joined our Society in 1875 up to the Annual Meeting held last month, in his successive capacities as a Member of the Council, President, Vice-President and Treasurer, he has been so intimately connected with the work we have been able to accomplish that it is difficult to realize and express the extent of the loss we have sustained.

His wide knowledge of the butterflies, both in nature and in literature, his extensive travels to the great museums of this Continent and of Europe, his friendly help and criticism, and frequent hospitality at his late residence 'Thornhill' where so many enjoyable meetings have been held, will long be gratefully remembered; as well as the encouragement in the study of Nature produced by his numerous papers published in the various scientific periodicals, which papers he invariably read first at our gatherings.

We beg to extend to the members of his family the expression of our sympathy in their double bereavement, and assure them that the feeling of loss is not confined to this City, but is shared by Entomologists throughout America and beyond the seas."
