

—OUR—

Twenty-Fourth Season.

OUR Travellers are now covering their respective territories with our Twenty-Fourth annual display of Fancy Holiday Novelties for Import. The range of samples this year surpasses even that of last year in variety, and includes the choicest lines from the leading manufacturers of the world.

—OUR—

Fourteenth Season.

FOR the Fourteenth Consecutive Year we have been appointed Canadian Agents for the world-famous Art Publications of Raphael Tuck & Sons. The Calendars, Cards, Booklets, etc., published by this firm are acknowledged to be the standard by which all other lines are measured, and no up-to-date dealer can afford to place his order for Holiday Art Goods before seeing this celebrated line. Our travellers will have their samples at the usual time.
